The gentleman who sends me the

examples of the amusing fictions which

gain currency among the natives of

India, says a writer in London Truth.

The bigger and the more preposterous

the lie, he says, the more readily it is

believed. When the Jubilee bridge over

the Hooghly was being built, the story

got about that the government required

a thousand heads of natives for the

foundations of the bridge, and had

given orders that all natives walking

over the maidan after dark were to be

seized, and taken to the "Shaltan

Khana"-the native name name for the

Masonic lodge-where their heads were

to be cut off for use in this uncanny en-

at the time of the last Indian frontier

war, a fat Babu clerk disappeared from

one of the government offices and could

not be found. It was firmly believed,

says my correspondent, by his fellow-

clerks and neighbors, that he had been

seized by order of the government, to

be made into ointment for the benefit of

the wounded soldiers. Happily, the fat

Babu turned up again safe and sound;

so no serious consequences resulted

from this delusion. If an idea like this

can be seriously accepted, as my in-

formant says it was, by the class of na-

tives who pass examinations and hold

public appointments, nothing that may

find acceptance with the "lower orders'
