THE WARNER VALLEY SETTLERS

Whether the state should take action to relieve the Warner Valley POSTOFFICE BOX NO. 65 settlers, about to be evicted from their homes, under the decision of the Interior Department, it would be presumptuous herein to say; but that the Secretary's decision was equitably and ethically unjust there can be no

These settlers, between 12 and 20 years ago, homesteaded some 6000 acres of land in Warner Valley, and there built homes, raised their families, established schools, paid taxes, made valuable improvements. But along comes a great cattle company, with its herds roaming over tens of thousands of acres in Southern Oregon, and demanded these settlers bomes, on the ground that in 1860 the land was "swamp," and the title had therefore passed from the gov-

When these settlers went there they saw no indication of the lands being "swamp;" and it is many chances to one, spite of the Secre-tary's decision, that even in 1860, when the swamp land act was passed, not one acre in 100 of their holdings was "swamp." Old residents of Oregon know something about how "swamp land" was manufactured some 25 or 30 years ago. A little by him. pond of water late in the Spring would make "swamp" of whole sec-

tions of surrounding dry land. But whether the evidence-and a great cattle company can easily obtain whatever evidence it desiresthe pleasure of visiting Fort Klamath showed that these lands were swamp subsequent to 1860 or not, all the equities of the case were in favor of Wood River valley one of the pret-tiest in the county. The valley is ir-these settlers. That they acted in rigated by numerous canals, the water good faith there was no doubt. They being taken from Anna and Sun should have been given the benefit of creeks and also Seven Mile. The every doubt. It was a case where a would not only have been justifiable, but an act of justice.
