GOING TO BE A SUCCESS.

Every indication that the October Races will Eclipse Anything ever Attempted in Klamath County.

That the Klamath County Agricultural Association fair and race meet, October 6, 7, 8, 9 and 10 will be a grand success seems already to be an assured fact.

Klamath county has not the advantages of a railroad at present and so must depend on its own efforts for advertisement but it has one great advantage; it is a country that has something to advertise.

HE WANTS HIS SHARE.

Mr. Wallace Taylor came into our office last Tuesday and informed our reporter that Joe Howard, the Cattle King, had ordered enough barb wire of the U. S. Steel Company, of New York, to fence in the reserve south of here. Mr. Taylor was very indignant at what he calls such a high handed outrage and his main object in going to California is to consult with J. B. Haggin in reference to this matter and see if he has not some influence with the California delegation. Mr. Taylor says the Oregon delegation cannot do anything with the president, he wants to see if he will turn down the entire Pacific Coast. He says that Joe has departed from the Mormon faith and is now one of Hitchcock's satellites. Joe is pretty foxey, but we think Taylor is putting it a little hard on him.—Silver Lake Bulletin.

Mr. Taylor is General Superintendent of the Chequawan Land and Cattle Company.

COUNTY FAIR NOTES.

At a meeting of the directors of the Agricultural Association last week, it was decided to make season tickets good for the five days, October 6, 7, 8, 9 & 10. Only 250 season tickets have been issued and when they are sold no more will be offered, as they were gotten out for the purpose of a guaranteed gate receipt only. Persons who want them should get them of the secretary or places where they are on sale, before all are gone.

All families from the country who can bring tents should do so, as all vacant property will be at their disposal for camping on in the town, as there will be a large crowd here, it will insure them a place to stay, and besides lessen the expense. There will be plenty of restaurants and hotels to furnish everyone with their meals, but there may be a shortage in rooms, unless those who can, bring tents.

A SOFT SNAP.

"To run a newspaper," says an Oklahoma editor, "is a fellow has to do is to write poems, discuss the tariff and money question, unprint a baseball game, report a wedding, saw wood, describe a fire so that the readers will shed their wraps, make a dollar do the work of ten, shine at a dance, measure calico, abuse the liquor habit, test whiskey, subscribe to charity, go without meals, attack free silver, defend bimetalism, sneer at snobbery, wear diamonds, invent advertisements, overlook scandal, appraise babies, delight pumpkins raisers, minister to the afflicted, beat the disgruntled, fight to a finish, set type, mold opinions, sweep the office, speak at prayer meetings, stand in with everything and everybody.

THE LECTURE.

The temperance lecture Sunday evening at the Presbyterian Church was well attended by the young men. A very apt comparison of the four stages of the whiskey drinker was given. He was likened successively to the sheep, the monkey, the lion and the sow. At first he was as gentle as the sheep, easily shorn; next like the monkey he would attempt to dance and sing; then he felt powerful like the lion and wanted to fight and last like the sow he would wallow in the dirt.

Mr. Smith is a very pleasing talker and his illustrations were very realistic throughout the entire lecture.

For Rent:—6 room house with wood shed and good well, handy to school house—Enquire at this office.

Season tickets for the fall races and fare are on sale at Baldwin's hardware, Schallack & Daggett's, Geo. R. Hurn's and the Gen saloon. The tickets are \$2.00 and everyone should make it a point to buy at least one ticket as only in that way can we make the fair a success.
