Alfalfa Will Average \$6.50 to \$7 and Grain is Selling at 90 Cents a Bushel.

Definite reports of the grain crop in Klamath county will soon be obtainable. There will be a good crop of grain as well as hay this year and the price is also good. Wheat, barley and oats are each bringing one that Sold a Pile of Chamberlain's a merchant here advised me to take this remedy. After taking one dose and one-half cents a pound now and is reported that the supply will hard-ly equal the demand. The growers mend it highly.—Joseph McElhinex, remedy in the hands of mankind." ers can set their own price on their products and this in the face of the fact that there is more in every line being produced than ever before.

Good land under the ditch is now being sold at from \$30 to \$50 an acre. At the prices being paid this year this same land put into alfalfa would clear each year about \$19 or \$20 an acre, or, at a valuation of \$50 an acre, a profit of nearly 40 per cent. Put into grain it will yield a profit of 25
