OUR HIGH SCHOOL.

At the last county election the people
of Klamath County voted almost unani-
mously to establish a County High
School.

Last year the school was maintained
in connection with the Klamath Falls
Public School, the principal of the pub-
lic school acting as principal of the high
school.

This year the county board decided
that the high school should be started
on a separate footing and that a princi-
pal be employed to conduct it alone.

They accordingly have fitted a com-
fortable room with the best modern
school furniture and obtained necessary
equipment. The school has good desks,
blackboards, dictionary, globe, maps
and books. The board is sparing no
pains to make it a success. The school
is now running nicely and the students
are hard at work. The students of the
county are somewhat slow about com-
ing in, not knowing perhaps of the
school and its advantages.

The State High School course of study
has been adopted consisting of four
years work. On completing this course
a diploma will be issued. This course
is followed by the best high schools of
the state and the work done is accepted
by the state university, normal schools
and colleges. Students graduating here
will be admitted to the Freshman class
of the University of Oregon.

To students of the county who desire
to take a college course, our high school
offers an inexpensive and thorough
preparation. To those who will not
take a more extensive course it gives
a good education and prepares them
for life's work. It is hard and expensive
for students of Klamath county to
attend schools in other parts of the
state owing to lack of communication;
but our boys and girls need education,
hence the high school is badly needed.
It will give our students culture at
home. It will interest our children in
higher education.

It will give new comers and strangers
a better opinion of the progressiveness
of our citizens when they understand
that we support a flourishing high
school. Parents should send in their
children. The tuition is free. Every
attention possible will be given them.
Our citizens should support the school
in every way possible to build it up.
We hope soon to see a handsome high
school building that will stand as a
monument to our ambition and pro-
gress.

WHAT WE CAN GROW.

Anyone who inspected the exhibits
at the fair this fall would soon be
convinced that Klamath county can raise
something besides cattle and hay. We
are justly proud of the above industries
as the stock exhibits were a credit to
any county, but it is good to know that
we are more than a self supporting
county. Klamath county has proven
that she can grow all the necessities of
life. Take for instance the cereals—
wheat, oats, barley and rye. These are
grown in abundance—our flour having a
reputation for superiority wherever
used. The exhibit of cereals by Caleb
Oliver attracted considerable attention
and was awarded first prize. It was a
fine display of oats, wheat, barley and
rye grown on irrigated ground. It is
worth mentioning, however, of several
instances where wheat was grown on
dry ranches this year that went 20
bushels and over to the acre.

Look at the onions as shown by H. N.
Whiteline and N. S. Merrill. We will
guarantee that they cannot be equalled
anywhere, not only in size but for flavor.
O. Short's display of potatoes cannot be
beat, as also the collection of vegetables
by the Leavitt Bros. and J. W. Brand-
enburg. It was shown that nearly
every variety of vegetables can be grown
here and all of a superior quality. The
fruit exhibit was very large this year,
which does not signify as one would be
led to believe that it is one of our main
industries. The fact is that at present
fruit is only grown for individual use
but one can readily see that the soil
and climate are conducive to the grow-
ing of many varieties of apples, crab
apples, peaches, pears, plums and
other fruit.

Another prize winner that deserves
creditable mention was J. L. Hanks' ex-
hibit of Bromus grass. This is an ex-
cellent food for stock and can be grown
without irrigation and we predict that
before many years it will be grown ex-
tensively throughout the dry portions
of Klamath county.

THREE ACT FARCE.

CARLE.
Jack Bennett of Grants Pass, with a
reputation.
Jack Gannon, who has a stand in
with the Indians.

SYNOPSIS.
Jack Gannon (Gibbs) has been spend-
ing the summer at Fort Klamath and
among the reservation Indians trying
to impress these most intelligent peo-
ple what a world beater he is as a fight-
ing man.

There was a big fair at Klamath Falls
in October, and large numbers of the
Indians were in attendance. Gibbs ar-
ranges for a fight between himself and

Jack Bennett, a man from Grants Pass
who has really done some good boxing
and is desirous of adding to his reputa-
tion. The match to be for the middle
weight championship of Oregon.

Explanation—Indians expected to
back Gibbs with plenty of money—bets
to be taken—Gibbs lays down—money
divided.

Act 1—Scene 1—Gannon hits at Ben-
nett—Bennett lays down.
Scene 2—Same as Scene 1.
Scene 3—Same as Scene 2.
Act 2—Nothing doing.
Act 3—Gannon falls down three times
—Bennett declared winner.
200 tickets sold at \$1.00 equals \$200—
easy money.

We understand that the sheriff was
prepared to arrest the participants for
prize fighting but decided that it would
be ridiculous to accuse the two of any
such offense.
