the EQUITABLE LIFE
that is good for its face

worth in cash all the pre-

THE BEST LINIMENT.
"Chamberlain's Pain Balm is con-
sidered the best liniment on the mar-
ket," write Post & Bliss, of Georgia, Vt.
No other liniment will heal a cut or
bruise so promptly. No other affords
such quick relief from rheumatic pains.
No other is so valuable for deep seated
pains like lame back and pains in the
chest. Give this liniment a trial and
you will never wish to be without it.

There have been during the month
167 days of absence; fifty-six, forty-

half, and fifty-three, being the records
of the respective rooms as mentioned
above.
The tardy record will be given in the
same order—seventeen, nineteen, thir-
teen, and thirty-seven.
The teachers desire the hearty co-op-
eration of all the patrons of the school
to the end that we may greatly improve
the record as the months go by.

MERRILL ITEMS.
We have not seen anything in your
paper from Merrill for some time so
will send a few items; if we escape the
waste basket this time we will try again.
Mrs. Willis Verrill is now nicely lo-
cated in her new and cozy store on
Main street.
Our mill has closed for the time being
on account of bad roads. Since the
rains have set in the farmers cannot
haul their grain in.
Carey Ramsby, after assisting S. E.
Martin with his butchering has return-
ed to his home.
Fred Pope returned the other day
from Surprise valley, where he went
after apples and alfalfa seed.
The dredger on the Adams ditch is
coming through the "cut" now and
every day sees a crowd go to watch it
work.
Henry Anderson Jr. after being chief
engineer at the mill for the last two
months, leaves in the morning to feed
cattle for Wm. Ball.
Hay, hay, have you enough for the
winter?
Thanksgiving is here but where, oh
where is our turkey?
Chas. Horton of Poe valley has been
in our vicinity the past day or two look-
ing after personal interests.
L. Gerber has a hand of mutton en-
route to the Ball ranch, where they will
be fed on alfalfa for a while.
James Holmes, one of our residents,
has gone to Little Hot Spring valley.
He has gone there to try the hot springs
for the rheumatism.
Mr. Yaden, the stage man, made his
regular monthly visit with check book,
and now there are smiles on all sides
for another month.
Adam Schortgen has built a chimney
for our "cooler" also added a couple of
bunks, now look out for him. He is
our cop.
Mr. and Mrs. Clubine are now keep-
ing home. They occupy the Ed Wallis
residence.
Jas. Eaton brought a load of beer to
the Clubine saloon.
Mr. Duffy has been busy the past
week or two sawing wood with his horse
power saw. Quite a saving of muscle
and backbone.
This is fine weather for ducks but not
for market hunters. They have all
come into camp and brought their
checks with them.
A real estate deal is on the tapis but
can't say anything about it just yet.
An accident that might have proved
serious happened here the other day at
S. E. Martin's hog killing. A big one
fell into the scalding trough but refused
to stay there and straight way made a
high dive into the river. Can't men-
tion any names but ask C. E. H. When
he returned from the river he wanted
to be scraped but those bold butcher
boys refused.
Alex Zevely and John Peacock of Bon-
anza were here after a load of Leslie's
fine soda.
G. W. Fish formally of Merrill but
now of Klamath Falls, was a business
visitor here a few days last week.
A good time is assured all those who
attend the Thanksgiving dance here.
Fine music, the best supper ever had
will be served by Mrs. John Ratliff at
the Merrill Hotel. Come and enjoy
yourself.
Caleb Oliver left this morning for
Montague where he took ten or a dozen
duck shooters.
