Somewhat Personal
This may seem—but has
it ever occurred to YOU
that YOU can protect
YOUR family and YOUR
estate with a policy in
the **EQUITABLE LIFE**
that is good for its face
value any day that you
may die, and that is also
worth in cash all the pre-
miums you shall have paid
(and profits besides) if you
live twenty years? Its
true. For the proof and
full particulars ask
WILL S. WORDEN,
Resident Solicitor,
Klamath Falls, Oregon.

Leap year begins to-morrow. It
has been eight years since the girls
have had a chance to take the initia-
tive in the matter of proposing, but
now they can do as they would be
done by during the next year.

The big mask ball at Bonanza
Christmas night was one of the largest
and most successful social events
ever attempted by our neighboring
town. There was 88 maskers on the
floor and nearly 200 people sat down
to supper. Bonanza evidently is
more active in social matters than
our city as is proven by the above at-
tendance.

was in Medford this week, visiting
old friends. Mr. Horton brought 100
head of fine beef cattle to Gazelle for
shipment to San Francisco, and con-
cluded that he would make a visit to
Jackson county. He left Wednesday
morning for San Francisco to spend
the holidays. Mr. Horton has been
quite instrumental in disturbing the
calculations of the beef trust in
Klamath county this year, by ship-
ping cattle direct to San Francisco,
giving his neighbors the benefit of
the higher prices they realized over
what the buyers offered them.—Mail.
