Every time you help to improve
your town you help your own business
just that much.

Speak a good word for your town.
If you can't say something good show
polity by keeping your mouth shut.

Hurrah for good streets! Klamath
Falls' new board has already started
doing something. At a special meet-
ing last Thursday the council ordered
a rock crusher and complete street
making outfit to cost \$4225. Every
member of the board are enterprising
business men and heavy taxpayers
and have already shown that they
will use the same judgment in the
town's business that they would in
private affairs. They appreciate the
unprofitableness of buying a cheap
outfit or of further trying to chop
up the streets and realize that it is
better to spend some money now on
something that will last and be a ben-
efit to the city in the future, rather
than continue in throwing away
money on temporary improvements.

FORT KLAMATH JOTTINGS.

**Happenings in the Wood River Coun-
try—Society Notes.**

The ball at Butler's hall on the
night of the 22nd inst given by and
for the benefit of the base ball nines,
also an oyster supper in J. N. Kirk-
patrick's parlors connected therewith
was in every way a success. \$2.5 be-
ing their net receipts.

The next in line will be a candi-
dates ball to be given at the same
place on the 29th of May. All invit-
ed, candidates especially. A good
time assured.

The very latest out is what takes
in Wood river; that is, of a progres-
sive nature. Though it be in the
line of dancing it is taken up just
the same.

The two-step has been quite a fad
with the youngsters here this last
winter, but that is the thing of the
past since the new one came out,
which is known as the Missouri side
step. It was introduced here by
Fred Melhase. J. W. McCoy assist-
ing in the introductory lesson.

Owing to these gentlemen each
having tender feet, a short lesson
only was given, but enough however
to convince the audience the Profes-
sors were the masters of the art.

These gentlemen have reluctantly
consented to give a more extended
exhibition at the candidates ball. So
don't miss it.

Quite a number of our ranchers
have turned their stock on the grass.
The rest will follow suit in a few
days.

W. O. Hill offers his entire herd of
cattle of about 100 head at a bargain.
\$20 per head, calves thrown in.

The Melhase Bros. will in a few
days bring back the cattle they have

had on the reservation for the last
month; they having ceased to do well
on browse.

The republican nominee for assessor
and son was up a few days since
from Crystal. He is endeavoring to
get his fences Lee proof, before the
rush, which is sure to come later on,
if possible.

Mrs. L. Hessig, who has spent the
last five months back at her old home
in Maine, returned here a few days
since.

Great joy in the house of Brannon.
Miss Tilla Dixon, one of the efficient
teachers in our public schools, re-
turned last Friday from the Agency,
where she had made an extended visit,
the guest of Mr. and Mrs. G. W.
Lousley. KENO.

Remedy for Bowel Complaints

We have used Chamberlain's Colic,
Cholera and Diarrhoea Remedy in our
family for years, says Mrs. J. H.
Cooke, of Seelands, Texas. We
have given it to all our children. We
have used other medicines for the
same purpose, but never found
anything to equal Chamberlain's. If
you will always use it as directed it
will always cure. For sale by C. C.
