**By Way of Bly.**  
 New Wagon Road to be Built From Paisley into Klamath County.  
 The citizens of Paisley have already subscribed \$167 toward building a road from their town to the Klamath county line and the people of Bly have agreed to perform their part and will construct a road from Bly to connect with the new road at the county line. The cost on the Lake side is estimated at \$500. The Paisley Post says that the work has been put in the hands of D. B. Conrad one of the subscribers. Mr. Conrad owns a ranch on the Klamath side near the county line and on the route of this road. He also has property in this valley, and is very much interested in having the road built. He will make the money go the farthest possible. He will begin at his ranch and work this way.  
 Bly lies southwest of Paisley, and the distance between the two over the new road will be about thirty-five miles, fifteen in Klamath and twenty in Lake. Mr. Conrad says there is now a good road from Bly within five miles of his place.  
 The need for such a road has long been apparent. There is considerable travel between the two places and the distance around by the way of Lakeview is a hundred miles. The summit at the head of the Chewaucan is said to be no higher than quartz mountain on the road from Bly to Lakeview. The new road will save sixty miles in going to the railroad at Ager, and this will also be the shortest route for parties going into Sican.

**TAXES ON TIMBER LANDS.**  
 Reports from Shasta and Siskiyou counties are to the effect that an increased valuation will be placed upon timber lands by the assessor in those counties. In Shasta county Assessor Collins will assess all timber land at an acre and some of it will be assessed as high as \$8.50. The value of timber depending in part upon its proximity to the railroad and the markets, timber land remote from the Southern Pacific

will be given a \$5 valuation. None of T. B. Walker's vast holdings will fall below that. Last year his land was assessed at \$3.50 an acre, which was an increase on the valuation placed upon it the preceding year.  
 In Siskiyou county the lowest valuation upon timber land will be \$4 an acre for tracts remote from the railroad, but land in touch with the Southern Pacific and McCloud railroads will be assessed as high as \$8.50 an acre.  
 Thomas B. Walker's holdings in Shasta county will this year amount to over 100,000 acres of timber land, and against less than 90,000 in 1903. He has a larger area in Siskiyou county and about 80,000 acres in Lassen county.  
 All timber land in Klamath county is now assessed at \$5 an acre, irrespective of location or valuation. This is really all timber land in this county will stand at present, as a too high tax will discourage investors. We can never expect the development of our timber resources unless we can interest capital. There is at present practically no market for our millions of feet of timber as it is unproductive, so its value is a thing of the future. Therefore our county should be careful not to place a restrictive tax on the timber lands until a market develops, when the valuation should be made according to the location, quality and quantity of timber on the land.

**RACES ON THE FOURTH.**  
 On the afternoon of the 4th of July, the Agricultural Association will hold the following races for Klamath county horses:

 1/2 mile and repeat, 100.00  
 3/4 mile dash, 75.00  
 10 per cent entrance fee. Winner takes 70 per cent and second takes 30 per cent of purse.

 The vote for Goddess of Liberty, to act on the Fourth of July, closed last evening at 10 o'clock. The contest had been very quiet up until yesterday when the votes stood 122 for Miss Lola Nelson and 112 for Miss Stella Campbell. The activity in voting did not commence until evening when the friends on each side spent over \$30 apiece. At the final count Miss Nelson was found to have won by four majority. The vote stood 451 to 447. There were six other young ladies who received complimentary votes.

**HORSE RUSTLERS.**  
 Four Klamath County Boys Held in Jail at Lakeview.  
 Word was received from Lakeview that four young men, in charge of a band of nearly fifty horses, were arrested on suspicion by the sheriff and are now held in jail awaiting investigation. Frank Swingle and two other members of the Klamath County Livestock Association have gone to Lakeview to identify the animals. The horses are supposed to belong in Klamath county and were probably picked up from the range Tom O'field of Merrill left for Lakeview Tuesday in the interest of Frank Adams and the Carr ranch, as they suspect some of their horses are among the lot. Nothing definite is known as to the identity of the four boys in jail, but it is rumored that three of them are, Ray Pickett, Virgil McClure and Tiny Hughes, all of Peo Valley. The fourth is unknown.  
 W. H. McClure was in the city yesterday. He said that he had heard the report but stated that he was positive that neither of his boys are within 200 miles of Lakeview. He says that both of them are at Pittsville, Calif. where they are haying.

**Sued by His Doctor.**  
 A doctor here has sued me for \$12.50 which I claimed was excessive for a case of cholera morbus," says R. White of Coahuila, Cal. At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not. No doctor could use a better remedy than this in a case of Cholera morbus, it never fails. Sold by C. C. Chitwood.
