and attended him. The leg was put into

before Mr. Mason will be able to be

SCHALLOCK-CLARK.
The many friends of "Judge" Schal-
lock and Miss Edna Clark were treated
to a surprise when the word reached
here that the young couple were married
at Lakeview last Saturday evening. The
ceremony was performed at the Hotel
Lakeview.

Miss Clark, who had been staying in
the city, left some weeks ago to visit
her parents near Lakeview, and Fred
left last Friday, ostensibly on a fishing
trip, but as he took along his suit case
and forgot the necessary fishing outfit,
suspicion was aroused for the first time.
The young couple are expected home at
any time, and their friends are prepar-
ing a suitable reception for them.

H. Fred Schallock is a member of the
firm of Schallock and Deggett, the East
End grocers.

MAY GIVE CONCERT.
Prof. H. L. Bettman and wife, of
San Jose, California, are enjoying a sum-
mer outing in Klamath County. They
are at present the guests of L. B. Appleg-
ate and family, at the Brookside ranch
in Swan Lake Valley.

Prof. Bettman is a well known violinist
of California, and is said to be one of
the best on the coast. He received his
musical training in Germany under the
celebrated Ysaye.

A number of our local music lovers
are making an effort to persuade Prof. Bet-
tman to give a concert here, and if they
are successful the people of Klamath
Falls will have a rare musical treat.
It is seldom that a Klamath Falls audi-
ence has an opportunity of hearing so
celebrated a musician, and we are aware
of raising their hopes, but we will be
able to make a definite announcement
next week.

GRIMMETT AGAIN LOSES.
There is one party who has at last
come to the conclusion that Klamath
Falls is not a desirable place. It is
hard for anyone who has once lived in
our city to believe that there is any
place that will equal it, but according
to the opinion of W. E. Grimmert and
Irene Grimmert, his wife, even Hades
would be preferable to Klamath Falls.
We do not blame them for this view as
their recollections of our city will be
anything but pleasant. Over a year
ago they started a bawdy house near
the outskirts of the town and all went
well, until they became solicited for the
accommodation and convenience of
their patrons and conceived the idea of
putting up a building and locating in
the business section on Main street.

Since then it has been one contin-
uation of lawsuits and fines and fines, and
poice court, until last Friday they and
their belongings were ejected from the
building they have been occupying.
They have tried every dodge to get
around the law, but have failed in every
case. They at last concluded to take the
aggressive in the law business. They
brought two suits, one against the town
of Klamath Falls, and one against A. C.
Lewis, the owner of the building from
which they were ejected. In the former
case they lost, and the Sheriff attached
their household property to pay the
costs. In the latter case, which was
tried Tuesday, they were losers also, and
now the Grimmerts have promised to
leave town, and say they never want to
hear of Klamath County again.

Read the Following

misleading advertisement and reflect!!
"Last Saturday The Cox Piano House
received a shipment of 25 pianos all at
once. Gee whizz, ain't we getting to the
front. Why, it takes two large cars to
carry that many pianos. Well these
pianos are on display at our store in Ash-
land and it will pay you to visit at once
and get your choice as they will simply
fly. We have already sold 25 pianos in
Ashland since New Years, in addition
to what we have sold outside. Come in
and try a piano on the week's payment
plan; \$2.50 per week, and at a cash
price. We mean business. Don't go
without a piano, come at once!"

The above mentioned two carloads of
pianos consist of 25 little toy pianos al-
most 6 inches in length, and 4 inches in
height, displayed on the counter of a
piano firm that is advertised as reliable
and "one of the largest between Port-
land and San Francisco."

A business man who will make false
and misleading statements through an
advertising medium, only needs, in op-
portunity, and he will sell you a \$200
piano for \$750, and sue you when you
object to paying the exorbitant price.
An honest advertiser will sell a good
piano at a fair price, & fair advertiser
will exaggerate the number of sales
made within a specified length of time.
An honest advertiser will tell you that
no one dealer has sold 25 pianos in Ash-
land since New Years."

It always pays a business man to be
truthful, for thereby he gains the confi-
dence of the people at home and abroad,
and "Gee Whizz!" he will be getting to
the front" more rapidly by that method
than by any other.

Buy your pianos of C. F. Shepherd,
the reliable dealer, who for 16 years has
been selling good pianos and organs to
the people of Jackson, Josephine, Klam-
ath and Lake counties, Ore., and Siski-
you and Malheur counties, Cal. Head-
quarters, Ashland, Ore.

Safeguard the Children.
Notwithstanding all that is done by
boards of health and charitably inclined
persons, the death rate among small
children is very high during the hot
weather of the summer months in the
large cities. There is not probably one
child in a hundred that is killed, how-
ever, that could not be cured by the
timely use of Chamberlain's Colic,
Cholera and Diarrhoea Remedy. For
