SLIGHTLY MISTAKEN.  
D. Davis left Tuesday on another  
trip to Klamath county, with a load  
of produce, he taking grapes from C.  
D. Reed's vineyard and tomatoes and  
onions from growers at Phoenix. Mr.  
Davis has been making a trip every  
10 days this fall and he has secured a  
fine trade with the farmers of Klamath  
county, who raise only grain and  
stock, the high altitude making it too  
cold to grow fruits and vegetables suc-  
cessfully.—Jacksonville Sentinel.  
Yes! we do grow some fruit, such  
as strawberries, currants, gooseberries,  
apples, pears, peaches, plums, prunes  
etc. and our vegetable crop has never  
been a failure. Our potatoes will  
compare favorably with any grown in  
the United States. It is so much less  
work to grow hay, grain and cattle  
that we do not make a specialty of  
fruits and vegetables; but we can af-  
ford to give more attention to them,  
when we get a railroad.

STATIONERY  
We have two messages for the peo-  
ple this week. One for the ladies  
and the other for the men. Every  
lady should be particularly choic-  
e in the selection of the stationery she  
uses in writing to her friends. Don't  
destroy a good impression by using  
cheap or improper writing paper.  
Styles change in stationery as well  
as in other things. There is a size  
and shape which is proper for ladies  
and also a distinct style and size  
proper for men. Let us show you  
what is proper this year. We have  
a complete line in all the latest  
stationery, paperies, box goods  
and tablets.
