#### FORUM OF THE PEOPLE (Under this head any person may dis-cuss local questions under his signature

to the extent of a half column.)

#### MINISTER SMITH PROTESTS. Editor Republican:-I have been re

cently disturbed by hearing talk about another saloon starting in our town, and We already have too many, and if, in the face of the Divine declaration "Woe

blood, and establisheth a city with iniquity," (Hab. 2: 12) our town board must have more money from this hurtful traffic, let them increase the license to anywhere from \$600 to \$1000. Let us not make it easier but harder for our young men to form the ruinous drinking habit, by lessening these evil institutions, which are keeping away the most desirable class of citizens.

It is painful to me to have to state the

number of drinking places along with the population, to inquiries of good people from all parts of the country, who wish to locate in the promising west, but are thoughtful enough to inquire and character of their children are more course in June. to them than purely material prospects hearing this spoken of as "a whiskey country" and point to the hopeful fact merry crowd does not express it. that if this county alone had been the determining factor, we would have a precinct: and Mr W. J. Moore because of his position on moral questions had more in the county for prosecuting attorney than his opponent.

people of the county, the more convinced I am that when the issue is fairwhile I do not care to get the enmity of fellow citizens who differ from me, yet increase, I shall have to use my influ ence to stop unlawfulness now existing and will do my utmost to make all evil institutions unprofitable, and our offi- guests without describing them all cers will find that the conflict thus invited by disregarding the wishes of the better element, will be more disturbing would require great space in description. than a reasonable stand for right, as above indicated. Faithfully Yours.
