THE BIRTH OF A CITY.

Whitelake City—June 1, 1905, was the natal day of this town of Whitelake City, which is so beautifully located in the southern part of Klamath county. The birth of this new city was made a festivity by the good citizens of Klamath county, who came in wagons, carriages, and by boat to welcome these new citizens into their midst.

Many were surprised at the number of buildings already under construction, also the temporary tent houses, which will now be converted into permanent dwellings. Among the buildings we noticed was Mr. Nelson's hotel, which contains 28 rooms; the Whitelake Cafe owned by Harry Stiltz; the Pioneer Restaurant; Mr. Clark's grocery store; the office of the Spencer Lumber Co., and several more, prominent among which is the Hall, McNeff building, a 50 by 60 two story business house, which, when completed would be a credit to any city. It is the intention of these gentlemen to have two large business rooms on the first floor with office and living rooms for their families above. "McNeff & Hall" is the name of the new real estate firm which has already opened its doors in Whitelake City. "Fitch & Spencer" is another real estate firm established in the new city. The Bank building is also a new structure, and the incorporators, who are reliable men, are ready to accommodate the public with a general banking business. This is looked upon as one of the best features of the new city, as it is a great accommodation to the people of Southern Klamath County.

The day of the opening of the new city was just such a one as can only be found in this glorious climate of Klamath County. The good people came from far and near, with baskets loaded with good things for the inner man, and those who did not bring lunches were served at the restaurants.

The people enjoyed themselves as they sat on the lawn until 10 o'clock, when they were called together by Major Worden, who kindly acted as chairman of the meeting. The major, in his happy-est vein made a few remarks, after
