George F. The book contains 1097 pages and is devoted to the history of Wasco, Sherman, Gilliam, Wheeler, Crook, Lake and Klamath counties. It is profusely illustrated and contains biographies of the leading citizens of each county, who were foremost in making the early history of this inland empire. It contains many beautiful Klamath county scenes, and those who have secured a copy will own a most valuable work. Bring in your repairing at Winters. We can repair most anything. The Lakeside Inn Bar. C. Ross Anderson for an Optimo cigar. A young lady visiting in town dropped into the Boston Store last Saturday and said, "it is my desire to obtain a pair of circular elastic appendages capable of being contracted and expanded by means of oscillating burnished steel appliances, that sparkle like particles of gold leaf set with Alaska diamonds and which are utilized for keeping in position the habiliments of the lower extremities, which inate delicacy forbids me to mention." time expire without selling, as he is of the opinion that he sold too cheap. J. O. Hamaker was in Lorella last Saturday registering voters in that locality. He reports the people all in good shape and to have wintered well. The stock all looking fine and the people with plenty of hay. Arthur T. Langell moved to his home-stead this week to commence farming, he having been in town for a short time to school his children. Art likes farming and no doubt will have quite an experimental farm in the near future. We are glad to report Earle White as in a greatly improved state, and hope to see him on the street in a few days. Also that Miss Doris Goss is again in her chair at the school and says she feels as good as new. This leaves the health of our town in good shape again, and we are happy to say that we have the best climate, the best water and the best people in Oregon. Lewis Gerber, the Lorella Stockman, was in town last Saturday, on the road to Merrill to look after his stock interests there. O. T. Mckendree arrived in town Monday with a load of sheep dip which he was compelled to go to Lakeview for, as none is carried in our county. This should be looked after as there are several dipping vats here and considerable of the stuff used. February 20. YONNA ZEPHYRS BY "OPTIMIST." "Sagebrush" was so busy last week playing pibocle that he did not have time to send in many "Dottings." The recent warm spell of weather has melted the snow rapidly and the hill sides are nearly bare. St Valentine's day has come and gone and quite a number of the people around Dairy have found out that their failings are known to their neighbors, as they received suitable valentines. On Friday Riley Woods was thrown from a bucking broncho. He intends to start for California soon with a band of Charley Horton's cattle. The big snow on the reservation has brought down the price of horses. Hank O'Brien ran in a couple of head that belonged to an indian, who said that they were of no value to him, and were purchased by Theodore Flackus and Charles Liskey for \$2.50 per head. Mr. Frank Cutler has been very busy for some time hauling hay from Hans Stasler's ranch to his home-stead. He has been in a hurry to get through before the ground thaws out. Friday was an unlucky day for Hans Stasler. While moving an out-building from his farm to home-stead it tipped over. It required several of his neighbors to get it right. Mr. Chas. Flackus has just finished putting up several tons of ice at his place. He intends to keep cool this summer, no matter what people say about him as a road supervisor. I do not see why the Democrats are publishing the names of the citizens who register. By the number of Republicans that appear it is hard to see where the democrat can gain any satisfaction. Jacob Rueck has petitioned to have a post office established at his place. Mr. Rueck is very capable of taking care of a post office, but I believe that his ranch is not situated right for the purpose. It would accommodate more people if the post office were several miles farther north in the upper part of the valley. The Portland paper that states that "Mrs. John VanMeter, the mother of Al Hudkins, is making search for a trunk belonging to the latter" is somewhat mistaken as to the relationship. Mrs. VanMeter is a sister of Mrs. Hudkins. The Hudkins' family formerly lived in Yonna valley and have many friends in the county. The Socialist Local held a meeting at Dairy last Sunday. On account of sickness and bad weather many of the members were unable to attend. The Socialists think that they will cast about twenty-five votes in the precinct in the coming election. At the club meeting the following resolutions were introduced and adopted: Whereas: It is an undeniable fact that labor produces all wealth, and it is a fundamental principle of the Socialist party that all men shall receive the full product of his labor, and under the present private capitalistic system, the man who labors is deprived of the larger part of the wealth he produces, and Whereas, both the Democrat and Republican parties are controlled by the capitalists and are adverse to the interests of the laboring man and Whereas, Capitalism has shown a disposition to retard the growth of Socialism by passing obnoxious election laws. Therefore, be it resolved That we, the Socialists of the Dairy Local, declare it the duty of every socialist to register under his own party name. Whereas, the tendency of the present times is towards Socialism and the recent elections show the great growth of the party, be it resolved That every socialist should continue the good work by adhering strictly to party principles. Resolved, that we consider it against the interest of the party for any member to take part in the primaries of any other. Double Wedding. On St Valentines day a double wedding took place at Hotel Yonna in Dairy. The contracting parties were Mr. Herbert Arant and Miss Minnie Burgdorf, and Mr. Emil Flackus and Miss Lena Burgdorf. About twenty-five friends and relatives were present. The Rev. Allen, of Bonanza, performed the ceremony. After the ceremony all present

partook of a luxurious supper, which was prepared by the hostess, Mrs. Anderson. Later a hilarious party of friends gave the newly married couples a serenade, and all had a good time until the small hours of the night. Herbert Arant is one of the well known young men of Klamath county, of sterling quality, and is the son of Frank Arant, superintendent of the Crater Lake National Park. Mr. Emil Flackus is the youngest of the noted Flackus family of Yonna valley, and is one of the German stock that has made the backbone of American citizenship. The ladies are of the pioneer family of Pine Flat. All are young people who have been raised in Klamath county, and will continue their residence here. Mr. Arant will reside on his ranch south east of Klamath Falls, while Mr. Flackus will live at Dairy for the present. John Murphy, of Klamath Falls, was out to Dairy a short time ago trying to buy a team of horses. He was over to Hank O'Brien's place, but I am informed that he did not find anything to suit him. Mrs. Anderson, of the Yonna Hotel, was over to see her daughter, Mrs. Early Arant of Pine Grove, one day last week. Bids for Water Works Bonds. Bids for the purchase of water works bonds of the town of Merrill, Oregon, in the sum of \$1000, will be received at the office of the Town Recorder at Merrill until 2 o'clock p. m. March 5, 1906. The bonds will be in denominations of \$500 each, payable twenty years after date or on call by the Town after ten years, interest at six per cent per annum payable semi-annually. The right to reject any or all bids is reserved 2-1-06 S. E. MARTIN, Recorder. NOTICE FOR PUBLICATION. Department of the Interior, Land Office at Lakeview, Oregon, February 6, 1906. Notice is hereby given that the following named settler has filed notice of his intention to make final proof in support of his claim, and that said proof will be made before Geo. Chastain, Clerk of Klamath county, Oregon, at his office at Klamath Falls, Oregon, on 2nd day of April, 1906, viz: Herbert L. Arant H E No. 2515 for the E 1/4 SW 1/4 lots 3 and 4 Sec. 18 Tp. 39 S R 10 E W M He names the following witnesses to prove his continuous residence upon and cultivation of said land, viz: W. F. Arant, John Shepard, Robt. Casey and Sam Short, all of Klamath Falls, Oregon. J. N. Watson, Register. 2-15-06 CONTEST NOTICE. Department of the Interior, United States Land Office, Lakeview, Oregon, February 13, 1906. A sufficient contest affidavit having been filed in this office by Wm. W. Mendenhall, contestant, against homestead entry No. 3114 made July 11, 1903, for NW 1/4 Sec. 1, Tp. 38 S. R. 10 E. W. M., by Mary J. Croeck, Contestee, in which it is alleged that the said Mary J. Croeck has wholly abandoned said tract; that she has changed her residence therefrom for more than six months since making said entry; that said tract is not settled upon and cultivated as required by law; that said party has removed her residence from the state of Oregon, and that said alleged absence from the said land was not due to his employment in the Army, Navy or Marine Corps of the United States as a private soldier, officer, seaman, or marine, during the war with Spain, or during any other war in which the United States may be engaged. Said parties are hereby notified to appear, respond and offer evidence touching said allegation at 10 o'clock a. m. on April 7, 1906, before Geo. T. Baldwin, County Judge of Klamath county, at his office at Klamath Falls, Oregon, (and that final hearing will be held at 10 o'clock a. m. on April 21, 1906, before the Register and Receiver at the United States Land Office in Lakeview, Oregon. The said contestant having, in a proper affidavit, filed February 12, 1906, set forth facts which show that after due diligence personal service of this notice can not be made, it is hereby ordered and directed that such notice be given by due and proper publication.
