

KLAMATH REPUBLICAN

E. J. MURRAY, Editor.

LEADING NEWSPAPER OF INTERIOR OREGON.
TWO DOLLARS THE YEAR IN ADVANCE.

Klamath Falls, Ore., Thursday, March 23, 1906.

Make It Memorable

When the Water Users Association meets in Klamath Falls on April 7, let the celebration that is planned to commemorate the commencement of work on the Klamath Project be a memorable one. Every home should be decorated, business should be suspended from 10 to 4, the Governors of California and Oregon should be here and every effort should be put forth to make it an epoch in the history of Klamath County.

Don't fail to send a copy of this paper to a friend. It will help to advertise Klamath Falls.

Never miss an opportunity to let outsiders know what a great city and county you live in.

In each issue of the REPUBLICAN from now until the primaries will appear articles about the various candidates for state office. It being impossible for all of them to make a personal canvass, we feel sure such information as we publish will be of interest to our readers and assist them in making a choice on April 20th. We shall seek to be impartial in the publication of this matter, and believe it will be accepted by our readers in the same spirit in which it is published.

MERRYMAN AND STATEMENT

"I wonder what Dr. Merryman will do about statement No. 1?"—correspondent in the Express.

Do? Why he will do what every Republican member of the next legislature will do—vote for the REPUBLICAN NOMINEE for United States Senator! That was the intent of the law, and any attempt to put a different construction on it will be futile. The raising of this hue and cry about forcing members to sign this statement, and then try to hold them to vote for the person receiving a plurality of the votes cast, is the last grasp of the democratic party! The leaders are hoping for the unexpected to happen—that there may be a Republican split, or that the democratic nominee may accidentally secure a plurality of the votes cast. They virtually admit that the next legislature will be Republican, and they are adopting this plan of putting forward statement No. 1 with the hope that they may steal the office of Senator. But it is a forlorn hope! There will be no Republican split! There will be no Democratic plurality! Merryman, if he is successful in securing the nomination, will, like every other Republican member, support his party's choice. There is no Republican so foolish as to believe that, if the democrats were in the majority in the legislature, they would vote for a Republican for United States Senator, provided he had a plurality of the vote cast. And, yet, that is just the proposition they advance for the Republicans. That little game went work. The Republicans are not going to permit the pie-hunters of democracy to map out a course for them to follow.

TOOZE MAKING HEADWAY

Walter L. Tooze is in Southern Oregon pushing his campaign for congress. He is meeting with great encouragement.

The statement telegraphed from Salem that all factions in Marion county were united on W. C. Hawley started quite a boom for that gentleman, until it was found to be false.

Mr. Tooze is a man who has been fighting the battles of Republicanism when other alleged leaders have been asleep or sulking in their tents. Tooze never sleeps or sulks, when there is work to be done for his party.

He is the same in business. He is tireless and irrepresible in keeping Woodburn, Marion county and Oregon to the front.

No man in Oregon could be sent to congress who would work as hard, stay with it day and night, hustle more for Oregon, than Walter L. Tooze. He is a man who is enterprising, employs labor, erects buildings, pays taxes, supports churches and schools, and is never a deadhead in any enterprise. He is a man who never fails to head a subscription list with something substantial in his own town.

Mr. Tooze is a hop grower and a produce dealer and a large shipper.

When the primaries are held on April 20th Mr. Tooze will be found to have friends all over the district. Marion county factions are not all united on Mr. Hawley. The Oregonian correspondent at Salem will find that many parts of the county are solidly for Walter Tooze, the Woodburn man, and he will have strong support in Salem. It will be found that Portland and Salem cannot dictate the whole congressional delegation. The rest of Oregon has some rights to a congressman.—Salem Journal.
