THURSDAY'S BUSINESS LETTER.

The advance guard of the great army of people, farmers, business and professional men, manufacturers and speculators, who will visit the Klamath Basin this year, is already coming in. With the rapidly drying roads the number will constantly increase.

We notice, as a result of the immigration, a fast growing demand for Merrill property. The people who recently purchased all of Mr. N. S. Merrill's interests in the original townsite of Merrill put a low selling-price valuation on the lotsbusiness lots on Front street ranging from \$10 to \$15 a front foot and residence property ranging from \$60 to \$200 a lot. Under the present demand we expect to see the prices advanced materially within a few weeks. For information regarding Merrill property-plats, prices and terms call at our offices or write.

This week we are renovating and enlarging our offices. When this work is to Merrill, Engineer Williams doing the completed and our office-force installed, we will have better facilities for transact-work ing business than any similar firm or company in the state, outside of Portland. KLAMATH COMMERCIAL CONPANY, INC.

ROY HAMAKAR, Manager.
