RAILROAD CO

Hereafter no freight will be delivered at Pokegama to "Freighters," except upon the written order of the Consignee. We will endeavor to follow the instructions of our patrons to the letter as to forwarding their shipments, and by such persons as they may select to handle the same.

We think our patrons will see the necessity of the enforcement of this rule. We have been severely crticised for delivering freight to teamsters on their oral statement, that they had orders from the consignee, and in several cases after we had so delivered it, another teamster would present a written order for the same shipment. On the other hand we have been criticised because we refused to deliver it on oral state ments of authority.

Upon orders from consignees to forward their freight by first opportunity. leaving it to our judgement, we will endeavor to deliver the same to first responsible party applying.

This Company has no interest whatever, either monetary or sentimental, in own line, and no preferences of any

kind will be shown to any one. We prefer not to act as forwarding agents, and only do so to accomodate our patrons.

Our patrons are requested to promptly make claims for overcharge, short and REFRESHING SUMMER DRINK bad order shipments, with the assurance that same will be promptly investigated and adjusted.

Inattention or incivility to our patrons will not be tolerated on the part of employes of this Company.
