Well dressed and feeling good with \$250 in his pocket, he bade us

When the men who have accumu lated much land in the wheat country die and divide their holdings, the land will be in smaller tracts and so thickly settled that the local market will supply all the labor needed in the harvest. That will mark the end of the

summer migration.

Swimmers' Cramp. In drowning accidents where expert swimmers suddenly lose all contro; of their powers, the usual expianation of cramps is beginning to be looked upon as insufficient. It has been noticed that persons having disease of the middle ear, who have already shown symptoms of vertigo, are especially liable to such aciddents, and as the semicircular canals are the organs of direction, it is suggested that even a slight hemorrhage in this delicate structure from a blow by the waves would result in utter helplessness. Persons with ears not perfectly sound are therefore warned against gwimming in rough water.

"Say, father, what is a 'nobody?' " "A nobody, my son, is a prominent woman's husband."
