### The Midway Bar

Courteous Attention is what all times appeals to any one. Among those who are seeking to be entertained and who want the best of attention they usually go where they can be assured of that courteous attention. It is easy at all times to get that attention if one knows where to go. One of the main and important reasons why the Midway Bar has gained such popular favor is owing to the most careful attention paid to customers. There is no better known or recognized good fellow than Billy Lulane, the manager. He takes as much interest in the business as though he owned it and he never allows it to be said that a person leaves his place who is dissatisfied. Another strong and striking reason why his business is growing in leaps and bounds is owing to the high class of goods he handles. He has stocked his place with the best on market and he sees to it that only the very highest grade of goods leave his establishment. If you are contemplating attending the fair and races, do not forget to call at the Midway Bar if you are seeking for the very best to be had. There you will be royally welcomed and will return home with the knowledge that there are good fellows in Klamath Falls, and that there are good wines, liquors and cigars.

Whenever you want freight from the railroad send an order to Jas. B. Moore at Pokegama and you will get your freight promptly.
