

GRIZZLE HAS ANOTHER MISHAP

George Grizzle thinks that trouble never comes singly, and in his case it is true. While returning with a load of hay to the city last Friday, his wagon was overturned near Altamont, with the result that he sustained a broken ankle. The accident was due to bad roads. Mrs. Beebe, who was on her way to the city, arrived on the scene soon after Mr. Grizzle was injured, and conveyed him to the city. He is now at the Klamath House, and will be confined to his bed for some time.

This accident hits him hard, for he was making strenuous efforts to recover from the loss sustained in the destruction of his marble yards a short time ago.

SERIOUSLY INJURED

While returning from Crater Lake, where she had taken the mail, Miss White, daughter of R. H. White, was thrown from her horse, breaking her collar bone and sustaining other injuries. She was accompanied by Miss Hazel Vose. They were traveling at a fast pace, when Miss White's horse stumbled, throwing her to the ground. When Miss Vose reached her side her companion was unconscious, and it was feared for a while that the accident would result fatally. Medical aid was summoned and soon had the injured one resting comfortably.

Lakeview Examiner.—The Malheur county fair and week's horse-racing, set to begin September 24th, has been postponed till October 15, on account of the Klamath Falls and Carson fairs coming so near the same date, a number of horses are expected from these places and it is the purpose of the Association to give them time to get there.
