

JAPS LOOKING FOR TROUBLE

Entering Vigorous Protests Against School Segregation

WASHINGTON.—The relations between the United States and Japan as a result of the attitude of the Japanese Government towards the California authorities in school matters have become acute. An erroneous impression as to the President's position has been widely circulated.

The President absolutely concurs with the opinion of Secretary Metcalf that the Japanese have no cause for grievances and that no treaty right has been infringed. At the outset the President took the stand that treaties superseded all state and other laws. Now he is convinced that, in giving the Japanese students equal educational rights while separating them from other schools, all has been done that is necessary.

Outside of racial difference, there is another reason for segregation, and that is that many of the Japanese students are adults. The President will stand strictly upon treaty agreements, but he thinks too much is being asked by the Japanese Government. It is known that the President feels that the Japanese, with an enormous personal conceit and tremendous personal egotism, are trying to impose upon the people of San Francisco and the Pacific Coast.

Senator Flint called upon the President yesterday. Benjamin Ide Wheeler, president of the University of California, was another caller. Mr. Roosevelt also was in consultation with Mr. Metcalf and is seeking all the light he can get on the subject. In the meantime every step is being taken to safeguard American interests and make everything ready for the remote contingency of a clash of arms with Japan.

It is well understood here that Japan is in the background as the power with which the United States has to reckon for the possession of the Philippine Islands. Diplomats and officials here can scarcely conceal that the situation may become intensely interesting at any time, possibly in the near future.

Intimately associated with possibilities of a clash with Japanese diplomacy must, of course, be taken into consideration the important fact that Great Britain is the offensive and defensive

ally of the recent conquerors of Russia. The United States-Japanese war cloud is generally estimated here to be bigger than diplomacy is willing to admit. In fact, official reports of this government indicate preparations against some enemy, and the indications all point to Japan.

MORE INDICTMENTS

SAN FRANCISCO.—Abraham Ruef and Chief of Police Jeremiah Dinan were jointly indicted by the grand jury last Friday afternoon on the charge of conspiracy in connection with the alleged protection of a house of prostitution. Chief of police Dinan was also separately indicted on the charge of perjury based upon his testimony before the grand jury. Bonds were fixed at \$5000 in each case. No attempt will be made to displace Dinan pending the trial of the case.

Steffins and Wyman, who were pardoned by Governor Pardee at Henry's request today, to permit them to testify against Ruef and Schmitz, were sentenced to five years' imprisonment for stuffing the ballot boxes at the local primaries held a short time before the late election of Mayor Schmitz. Through the result of this primary election Ruef secured control of the county Republican convention. Charges were made that Steffins and Wyman, who were acting as election officers, had stuffed the ballot boxes in favor of candidates. They were tried before Judge Lawler and convicted and sentenced to the penitentiary.

When Judge Lawler came up for reelection, November 6 last, Ruef and his adherents made a bitter and strong fight against him, and it was the nomination of two men as candidates for Superior Judge on both the Republican and Democratic tickets in order to make Lawler's defeat certain, that brought the present prosecution for graft to a focus. Lawler was elected Judge, and already some of the cases of some of the men indicted have been assigned to him for trial. Wyman was a municipal employe and Steffins was employed by E. A. Maestrotti, then president of the Board of Public Works.

Have you paid your subscription to the Republican and voted for your choice in the Jamestown Exposition contest?

To the People of Klamath Falls:

When I came to Klamath Falls I was fortunate enough to find a "ground floor" proposition in the Mitchell ranch, known by all old timers for its splendid soil, fine orchard and ideal location as "the best ranch in Klamath County."

Through the co-operation of men of wide experience in land matters this tract was acquired and has been cut into small tracts and offered at prices and on terms that will enable the purchasers to realize handsome profits. A portion of this has been platted into blocks and lots and is now the Mills Addition to Klamath Falls. It was the original intention to dispose of this addition in blocks only, but so great has been the demand for single lots that I have decided, for a short time, to give the people of this city and county an opportunity to buy in smaller area than originally planned.

The Mills Addition is located within about a thousand feet of the yard location of the California Northeastern Railway and within about three blocks of the depot site, as indicated on the new City Map. It is admirably located for homes, with the natural slope for drainage, requiring very little grading to make the streets, every lot being practically level and now in alfalfa, timothy and meadow grasses. Its location insures rapid increase in value, for the greatest growth of the city will inevitably be towards this property. I have the fullest confidence that this property will double in value in the next year.

It is the purpose to sell this property at a price that will allow the lot buyer to make something on the investment just as you are willing that the present owners should do likewise. These lots are to be offered one block at a time, beginning with one of the unsold blocks nearest the depot location (Block No 102) and the prices will be \$200 for the corner lots and \$125 for inside lots.

The lots are 50x120 feet, and this price makes them by far the best lot bargain offered in Klamath Falls.
