HOT SPRINGS WATER. Why not have you a home in the Hot Springs tract, where you can have use of the splendid mineral water? Hot Springs addition is in the heart of the city of Klamath Falls, whose population will be 25000 in less than 10 years. Study the following analysis made by the University of Oregon: Sodium Chloride 5.68, Calcium Sulphate 6.52, Magnesium Sulphate .32, Sodium Sulphate 28.98, Iron and Aluminum Oxides .13, Sodium Silicate 4.15, Silica 3.22, 49.00. Read what Dr. G. F. Hanson of San Francisco says of this water: "A careful examination of the water convinces me that it is unsurpassed in the nature of its mineral content, and should prove of the greatest possible utility in the treatment of congested conditions and for the general flushing of the tissues. Dyspepsia, sluggish liver, habitual constipation, so-called biliousness and bilious headaches, indefinite rheumatic pains due to the accumulation of uric acid or retention of other waste products in the system, faulty elimination by the kidneys, and a long train of ailments dependent upon above states of bodily ill-health are benefited by the free drinking of and bathing in such waters."
