Attorney C. F. Stone left for Lakeview Wednesday where he goes to represent Mrs. William Dalzell, Harry Caden, Norman McLane and James N. Dennis in a contest that has been filed against them. The defendants sometime ago located claims under the timber and stone act. The claims were too valuable to miss the scrutinizing eyes of poachers and soon a contest was filed, the contestant claiming priority under settlement rights. The cases will come up for hearing before the Register and Receiver of the Land Office in Lakeview on the 5th and will last until the 12th.

The late Senator Hearst made the foundation for the Hearst fame and fortune on the Constock lode, just 200 miles south of the great strike in the Coyote Hills where are located the mines of the Lakeview Mining & Milling Co. Oregon is soon to have her Tonaph in the Coyote Hills. The first allotment of stock is the ground floor. When its sold you will have to take the elevator to get in at all. They have got the dope. There has been more gold produced in the section lying between Goldfield and the Coyote Hills than in any other section of the world. You missed it in Goldfield, Tonaph, Bull Frog and Manhattan, and if you don't act quickly you will be too late on Lakeview Mining & Milling Co. stock. Stock in the first allotment at 25¢ 1 share, 400 shares \$100. \$100 invested in mining stock consolidated of Goldfield last January is worth \$4600 today—a gain of \$4500 in less than one year. You could have bought the whole of Klamath Falls a few years ago for the price of one Main St. lot—opportunities to be won must be grasped. The Lakeview Mining & Milling Co. has ten claims. They have the ore 200 feet strong. They have the gold \$20 to \$800 per ton across the dike. A ton of ore occupies but few cubic feet of space. The available tonnage soon to be blocked out should yield enough gold to put every owner of 400 shares on Easy street. Stock to be had from the official broker T. W. STEPHENS, Real Estate and Insurance, Willson Block.

If you are in need of medicine during the night or if you have a prescription you wished filled you can get it at Newsom & Underwood by calling at the home of Dr. Maston—next door to our store.

At 10 o'clock the young guests gathered around a table that was groaning with refreshments and enjoyed a most bountiful luncheon. There is much satisfaction over the return of this service, as it removes a great hardship from travelers, and enables them to arrive in this city with a little degree of comfort.
