

RETIRING FROM BUSINESS

Lease of Store Building Expires June 15th. All Our Stock Must be Sold by that Time

THE
BOSTON
STORE

To the Public:

After two years of business in Klamath Falls, We have decided to dispose of Our entire stock of goods and engage in a different line. This decision has been reached only after due deliberation.

We have enjoyed a patronage since coming here that we appreciate, and we take this time and place to thank our friends and patrons for their unstinted loyalty. It is with many regrets that we have decided to quit the mercantile business, but in doing so we do not intend to sever our connections with our friends in this city and county. We will remain here and take a more active part in the up-building of a great city and the development of a great country.

The sale which we will inaugurate next Monday will be one in which we will cut the price on every article in our store. Every price is guaranteed, and furnishes an opportunity to the people of this county to purchase at prices cheaper than they can secure the same article elsewhere.

Thanking our friends for past patronage and assuring them of our determination in this sale to maintain the well established reputation of our house, we are,
Very truly yours,
L. JACOBS & CO.
