If you are looking for a home in a fine location, or for an investment, you should not overlook the Hot Springs tract.

Don't overlook a good thing. The remark was often made that St. Johns was too close to Portland to make a city. But look at St. Johns today. The same thing will happen here. P. R. R. now being constructed from Weed to Natron, which will connect Portland and Frisco, via Klamath County, it is safe to say that lots now selling as cheap as \$50 will go like hot cakes in less than five years at \$500.—Mark L.
