The Dread of the Housewife

The pleasures of many homes are still marred by that weekly horror "wash day." Some still cling to the idea that by doing their washing at home they are saving money, without stopping to figure the cost. In most cases the cost of the wood alone would pay for the work being done at the laundry.

The Klamath Falls Steam Laundry

is now equipped to handle all the family washing in the city and is making a special cut-rate price on this work. With our increased capacity and all the latest labor-saving machinery, we are able to do the work at about one-half what it can be done by hand. We dye and restore color to faded goods and steam or dry clean ladies' and men's suits.
