Chetko Copper **Chetko Copper**

Chetko Copper

Chetko Copper Co. is now offering its first allotment of Treasury Stock at 30 cents a share.

Chetko Copper Co. Was incorporated in August, 1905, under the laws of the State of Oregon, with a capital stock of \$1,000,000, par value of shares \$1 each. One-third of the issue is treasury stock.

Chetko Copper Co. Owns THIRTY copper claims (600 acres) and two water rights on the Chetko river in Curry County, Oregon, within eighteen miles of Chetko Harbor, on the Pacific Ocean.

On one of the claims is a fifty-foot vein of copper ore (which is being developed) that contains 13 per cent copper, and \$28 gold per ton; making a total of
\$90.40 per ton

Attention is called to the fact that the Trinity Copper Co., in Shasta County, California, capitalized at \$4,000,000, with the ore values averaging about five per cent copper, is selling its shares in Boston at \$27 to \$30 a share; and the Balakalala Copper Co., (situated near Trinity) capitalized at \$5,000,000 is selling at \$8 to \$10 per share on the Boston and other markets.

Chetko Copper is capitalized for only \$1,000,000; owns more claims than both said companies com- bined; containing ore bodies that greatly exceed in value the ores of the said two companies, and is now selling its first block of treasury stock at

30 cents a share
 soon as **Copper Stock Buyers** learn the facts about the

Chetko Copper properties, the shares will soon advance to \$100 and better per share.

Chetko Copper at 30 cents a share is way far the best Copper Stock buy of the day. It has the high grade copper-gold ore in quantity and the right management. It is sure to

Advance in price, and that soon

Samples of the Chetko Copper gold ore and prospectuses can be seen at the Lakeside Inn, Klamath Falls, Oregon

The Dread of the Housewife

The pleasures of many homes are still marred by that weekly horror "wash day." Some still cling to the idea that by doing their washing at home they are saving money, without stopping to figure the cost. In most cases the cost of the wood alone would pay for the work being done at the laundry.

The Klamath Falls Steam Laundry

is now equipped to handle all the family washing in the city and is making a special cut-rate price on this work. With our increased capacity and all the latest labor-saving machinery, we are able to do the work at about one-half what it can be done by hand. We dye and restore color to faded goods and steam or dry clean ladies' and men's suits.
