**Chetko Copper**

Chetko Copper Co. is now offering its first allotment of Treasury Stock at 30 cents a share.

Chetko Copper Co. Was incorporated in August, 1905, under the laws of the State of Oregon, with a capital stock  
of \$1,000,000, par value of shares \$1 each. One-third of the issue is treasury stock.

Chetko Copper Co. Owns THIRTY copper claims (600 acres) and two water rights on the Chetko river in Curry  
County, Oregon, within eighteen miles of Chetko Harbor, on the Pacific Ocean.

On one of the claims is a fifty-foot vein of copper ore (which is being developed) that contains 13 per cent copper, and  
\$28 gold per ton; making a total of

**\$90.40 per ton**

Attention is called to the fact that the Trinity Copper Co., in Shasta County, California, capitalized at \$4,000,000,  
with the ore values averaging about five per cent copper, is selling its shares in Boston at \$27 to \$30 a  
share; and the Balakalala Copper Co., (situated near Trinity) capitalized at \$5,000,000 is selling at \$8 to \$10 per  
share on the Boston and other markets.

Chetko Copper is capitalized for only \$1,000,000; owns more claims than both said companies com-  
bined; containing ore bodies that greatly exceed in value the ores of the said two  
companies, and is now selling its first block of treasury stock at

**30 cents a share**

Soon as Copper Stock Buyers learn the facts about the

Chetko Copper properties, the shares will soon advance to \$100 and better per share.

Chetko Copper at 30 cents a share is way far the best Copper Stock buy of the day. It has the high  
grade copper-gold ore in quantity and the right management. It is sure to

**Advance in price, and that soon**

**The Dread of the Housewife**

The pleasures of many homes are still marred by that weekly  
horror "wash day." Some still cling to the idea that by doing their  
washing at home they are saving money, without stopping to figure the  
cost. In most cases the cost of the wood alone would pay for the work  
being done at the laundry.

**The Klamath Falls Steam Laundry**

is now equipped to handle all the family washing in the city and is  
making a special cut-rate price on this work. With our increased capacity  
and all the latest labor-saving machinery, we are able to do the work  
at about one-half what it can be done by hand. We dye and restore  
color to faded goods and steam or dry clean ladies' and men's suits.
