

**The Childish Voice Too Much.**  
A good story is told of Signor Foll, the famous basso. Once upon a time he was staging "The Raft," when a childish voice from somewhere in the stalls suddenly piped in and attempted to organize an impromptu duet. Unfortunately the next line of the song was: "Hark! What sound is that which breaks upon mine ear?" This so tickled the fancy of the great vocalist that he burst into a hearty fit of laughter and left the platform, followed by the pianist. Twice they came back and attempted the song, and finally they had to give it up in despair, much to the amusement of the audience.

**Many Kinds of Days In One.**  
A mean solar day is the average or mean of all the apparent solar days in a year. Mean solar time is that shown by a well regulated clock or watch, while apparent solar time is that shown by a well constructed sun dial. The difference between the two at any time is the equation of time and may amount to sixteen minutes and twenty-one seconds. The astronomical day begins at noon and the civil day at the preceding midnight. The sidereal and mean solar days are both invariable, but one day of the latter is equal to 1 day 3 minutes and 56.555 seconds of the former.

**A Safe Perch.**  
At the crowded downtown corner the frightened pedestrians were scurrying out of the way of street cars, automobiles, delivery wagons and policemen on horseback. "Gosh," exclaimed the window washer, looking down on them from his perch on the narrow ledge of a fifteen story window, "I'm glad I ain't in that crowd!"—Chicago Tribune.

**Almost as Good as Art.**  
Small Edith was visiting in the country for the first time. "What do you think of our rural scenery, dear?" asked her grandmother. "Oh, it isn't so bad!" replied Edith. "It looks almost as natural as real theater scenery."—Chicago News.

**Collision—Not Collusion.**  
The Judge—in this divorce suit there seems to be some collusion between the man and his wife. The Wife—Collusion? No, it's been collusion ever since the ceremony!—Pittsburg Gazette-Times.

**Not Her Will.**  
Agnes—What are you writing, Minnie? Your will? Minnie—No, I'm writing my won't. George proposed last night, and I told him I'd answer today.—London Sketch.

**No Additions to Midland**  
For the assurance of purchasers of lots in the town of Midland, as well as to furnish information to people interested in lands in or near to Midland, which purchasers or owners of land might be affected by the reports to effect that several additions would be made to Midland, we take this method of stating that there will be no additions to Midland for some years. We can give this assurance, for the reason that we own land on all sides of the town site, all of which will be kept vacant, except the vacant land on the south and the southeast of the town site, which has been set aside for the use of stock yards, sheds and loading pens.—MIDLAND TOWN COMPANY.

**Chetko Copper**

**Chetko Copper Co.** is now offering its first allotment of Treasury Stock at 30 cents a share.

**Chetko Copper Co.** Was incorporated in August, 1905, under the laws of the State of Oregon, with a capital stock of \$1,000,000, par value of shares \$1 each. One-third of the issue is treasury stock.

**Chetko Copper Co.** Owns THIRTY copper claims (600 acres) and two water rights on the Chetko river in Curry County, Oregon, within eighteen miles of Chetko Harbor, on the Pacific Ocean.

On one of the claims is a fifty-foot vein of copper ore (which is being developed) that contains 13 per cent copper, and \$25 gold per ton; making a total of **\$90.40 per ton**

**Attention** is called to the fact that the Trinity Copper Co., in Shasta County, California, capitalized at \$4,000,000 with the ore values averaging about five per cent copper, is selling its shares in Boston at \$27 to \$30 a share; and the Balakalala Copper Co., (situated near Trinity) capitalized at \$5,000,000 is selling at \$8 to \$10 a share on the Boston and other markets.

**Chetko Copper** is capitalized for only \$1,000,000; owns more claims than both said companies combined; containing ore bodies that greatly exceed in value the ores of the said two companies, and is now selling its first block of treasury stock at

**30 cents a share**  
Soon as Copper Stock Buyers learn the facts about the

**Chetko Copper** properties, the shares will soon advance to \$100 and better per share.

**Chetko Copper** at 30 cents a share is way far the best Copper Stock buy of the day. It has the high grade copper-gold ore in quantity and the right management. It is sure to

**Advance in price, and that soon**  
Samples of the Chetko Copper gold ore and prospectuses can be seen at the Lakeside Inn, Klamath Falls, Oregon
