New Store Opens

R. M. Boller opened his new furniture store Saturday. It is located in the American block, Sixth and Main streets, and is stocked with a full line of furniture, carpets, rugs, matings, linoleum and oil cloth. Although the stock at this time is quite complete, it is by no means all that has been ordered, a great deal of the goods expected being yet on the road.

It is Mr. Boller's intention to maintain a first class furniture store and he cordially invites the public to call and see his establishment, whether they are in the market for furniture or not. The rapid growth of this city and county insures him a large patronage, and the public extends to him a cordial welcome.
