

Ashland Normal

The Southern Oregon State Normal School will conduct a Summer School this year beginning with the 8th of July and continuing until Tuesday, the 12th of August.

The purpose of this school is to afford opportunity for a study of the several

branches preparatory to examination County and State Certificates and State Diplomas.

In addition, during the first two weeks, instruction will be given in methods of teaching, reading, phonics and language in the primary grades of the public schools. Supt. P. H. Daly of Jackson County is assisting in the arrangements and will be one of the in-

structors. Prof. W. T. Van Scoy, Mrs. Emma B. Wickersham and Pres. Mulkey of the Normal faculty will be the other instructors.

Pres. H. M. Crooks of Albany College and Pres. P. L. Campbell of the State University of Oregon will deliver lectures upon school topics.

The Southern Oregon Chautauqua Association holds its sessions this year at the same time that the Summer School is in session. All persons attending the Summer School will be admitted to the evening lectures of the Chautauqua Assembly at a nominal expense. This feature is worth consideration since it will bring within the reach of the student teachers some of the best talent of the United States. The Chautauqua season continues two weeks beginning the 12th of July.

The Summer School will be held at the Normal grounds. Rooms can be had at the dormitories and board at the dining hall at a cost not to exceed three dollars per week. Persons who desire to tent in the groves about the campus may do so.

This will afford a good opportunity for a summer outing that will combine self improvement with pleasure. The Normal campus is very beautiful since it is being improved with wide lawns by the help of an abundance of water which has lately been brought from the city of Ashland.

The opportunity to study reading and phonics is a rare one, since it will be in charge of a lady who acquired her skill and knowledge of the subject during a three years' course in the Oswego State Normal School of New York, and by subsequent experience as critic teacher in the Normal School. The instruction in common school branches will be vigorous and spirited. The sessions will begin at 8 a. m., and close at noon.

For further particulars address W. T. VAN SCOY, Ashland, or P. H. DALY, Jacksonville.

Reclamation News

W. H. Heilman, formerly engineer of soils in the Service, has been made engineer in charge of maintenance and operation, with headquarters in this city.

Supervising Engineer Murphy returned Monday from Clear lake where he went last Friday for the purpose of making examinations, the conditions there now being such as to admit of his securing the information and data he was after.

Forgery Charged

Ed Wiggins was arrested and held in \$1000 bonds Saturday on the charge of forgery. It is alleged that he passed a check for \$16, bearing the name of M. H. Wampler, on the Owl saloon. When the check was presented to the Klamath County Bank it was pronounced a forgery and a warrant was issued for the arrest of Wiggins.
