

**Ashland Commercial College, Ashland, Oregon.**

This institution will enter the new year on September 2, 1907, with larger and more convenient rooms, additional equipment, and with a course of training that for accuracy, completeness and thoroughness is surpassed by none. During the last year we have placed

our students in excellent positions in Los Angeles, Portland, Grants Pass, Medford, Wimer, Dunsmuir and in Ashland, several of them receiving more for their first month's work than the cost of the course.

More were called for and none to send. The development of the great Pacific Coast is only begun and our enterprising

young men and women or the incoming ones are going to carry on the business. You can receive the qualifications and share in the prosperity. Send for full information to the Ashland Commercial College. 7-18

**Purchase Crusher**

The Klamath Falls Land and Transportation company has purchased the Mason, Davis rock crusher and now has a large crew of men employed quarrying rock for use in ballasting the street car tracks of the company and fixing up the roads in the Beuna Vista addition. One of the chief objects in purchasing the crusher was the desire of the company to be in a position to furnish crushed rock at the lowest possible price in order to encourage the improvements of the streets of the city and roads leading into it. The object is a worthy one and it is to be hoped that it will result in the benefit sought.
