

Ashland Commercial College, Ashland, Oregon.

This institution will enter the new year on September 2, 1907, with larger and more convenient rooms, additional equipment, and with a course of training that for accuracy, completeness and thoroughness is surpassed by none. During the last year we have placed

our students in excellent positions in Los Angeles, Portland, Grants Pass, Medford, Wimer, Dunsmuir and in Ashland, several of them receiving more for their first month's work than the cost of the course.

More were called for and none to send. The development to the great Pacific Coast is only begun and our enterprising

young men and women or the incoming ones are going to carry on the business. You can receive the qualifications and share in the prosperity. Send for full information to the Ashland Commercial College. 7-18
