

# KLAMATH REPUBLICAN

E. J. MURRAY, Editor.

LEADING NEWSPAPER OF INTERIOR OREGON.

TWO DOLLARS PER YEAR IN ADVANCE

Last Saturday morning, the Morning Express made its debut. It is a four-page, seven column daily and starts with a blow of trumpets that sounds well. It has the good wishes of the Republican.

The Evening Herald rounded out the first year of its existence this week. Here's to you, Croney, for it is one on us. We admit that we are a bad prophet, for notwithstanding we told you your darling had but a short time on earth, it is well and prospering. The Republican congratulates the Herald on the showing it has made, for few could believe it possible when the paper was started, and the appreciation shown Mr. Cronemiller by the business men is deserved.

At the meeting of the council last Monday night the Mayor made a vigorous protest against the submission of bills against the city on the evening of the council meets, and insisted that all bills be presented long enough in advance of the meeting to admit of their being audited. No doubt those having bills against the city will be glad to comply with the suggestion of the Mayor if he will be kind enough to figure out a plan whereby they can be presented. The Republican has had bills against the city for the past eight months and several efforts have been made each month to find the Recorder in his office in order to present the account. The Recorder has in his possession a city warrant for this paper, but God only knows when we will get it. It is about time that the Recorder should at least spend a small fraction of the day at the city hall, and that at a regular time, in order to enable those who have business to transact with the city to do so.

## FORT KLAMATH

Fort Klamath is located in the northern part of Klamath county, and is in the center of what is recognized as the Switzerland of America. In close proximity to Crater Lake and surrounded by the greatest natural and scenic wonders on the continent, it will, within a few years, be one of the greatest tourist resorts on the Pacific coast.

Fred Melhase was up from the county seat Saturday.

The dance that was given at the hall last Saturday evening was a success and was thoroughly enjoyed by those who attended.

John Hessig has gone to the lower Klamath for the purpose of completing his contract for the erection of the telephone line from Yreka to Happy Camp.

H. B. Loosely has sold his residence in the north end of town to O. B. Bunch. He expects to build a new one in the near future.

Everything is quiet. Everybody at work. Very little excitement, consequently not much news this week.

We are glad to see L. A. Crance out again.

Clay Barker and family are back in town.

Joe Pierce and party spent several days here the past week.

John Haeglestein is up with a load of potatoes.

Believing that there are greater empires to conquer than are to be found in Klamath, J. F. Croft has closed his real estate office in this city and will remove to Portland where he will engage in the pleasant pastime of selling mother earth. It is quite likely that he and J. F. Nowlin, who was his partner in this city, will open an office in Portland.
