[Bonanza Bulletin]
 The Bonanza Creamery paid the farmers \$714.31 for cream for the month of September. The only regret is that there are not more enterprises like this in the county.

BORN—At Ely, Oregon, on Thursday, October 3, 1907, to Mr. and Mrs. Frank Obenchain, a son.
 Lawrence Griffin, of Ely, received word that his wife, Mrs. Griffin, who is visiting in Jackson county, gave birth to a son last week.

Last week Frank Grohs sold 150 head of beef cattle to S. S. Mitchell. The price paid was a little better than six cents. The cattle will be weighed at the Dalton ranch at Tule lake.

There has been some misunderstanding among the people in respect to the leasing of the Clear Lake reservoir site. The bid tendered by the sheep men has not been accepted and it is almost certain that it will not be accepted. Engineers Murphy, Henny and Sanders have recommended that the bid be rejected and it probably will be. The approval or rejection of such bids lies with the Secretary of the Interior, not with the local officials of the Reclamation Service.

It was probably not anticipated by the cattlemen or other citizens interested, or by the engineers, that sheepmen would bid for the pasture privilege. The Tule Lake company, a cattle company, originally bid \$500 for the privilege for one year. This was the only bid and was not accepted, it being too low. Bids were then called for, for a three year lease, and the company bid \$1500. The sheepmen, evidently anticipating that Mr. Dalton would simply multiply his first bid by 3, bid \$1511. Regardless of the comparative rights of sheep and cattlemen, the leasing of that range for sheep would be disastrous to a large percentage of the landowners under the upper project, and the engineers of the Reclamation Service know this. Hence their action in recommending the rejection of the bid.

[Merrill Record]
 N. S. Merrill, Wm. Merrill and wife and Mrs. Scoggin, left Friday for Grass Lake. N. S. returned home Sunday while the others went on to their home in Colusa City, California.

L. J. Gerber drove 275 head of fine fat beef cattle through Merrill last Saturday. Incidentally Mr. Gerber put in a good word for the fair, and said he expected it to be the very best yet.

Jos. Provoet and family of McCloud, California, passed through this city last Sunday on their way to Poe valley, where they will make their home in the future, having purchased the Tom Wiseman place.

Mitchell Bros. drove about 400 head of cattle through the city this week. These cattle were bought for the Grayson-Owings Meat company of Oakland, Calif. Merrill has seen no better cattle this year than the Mitchell drove, and there have been several thousand head here this fall.

Wednesday night, sometime between midnight and 5 a. m., a burglar entered the Mint Saloon by boring out a panel in the back door, and using the same method, opened the 50 cent slot machine and took therefrom about \$50.

He than left without further theft, though the till containing \$31 was right at hand. The brace and bit used in performing the burglary was stolen from the blacksmith shop of F. P. Slate and was not returned. The authorities say that they are pretty sure of the man who did it, and have about sufficient evidence upon which to base his arrest.

N. S. Merrill last week sold three yearling short horn calves for \$50 each, and one three-year-old short horn bull for \$100, which shows that there is money in thoroughbred cattle. The short horns are in great demand in this county at the present time. Mr. Merrill has demonstrated that there is money in garden truck and chickens raised in Klamath county; on one-fifth of an acre of land he raised one ton of onions for which he finds a ready market at 2 1/2 cents a pound. If this can be beaten anywhere on earth the Record is open to conviction. Mrs. Merrill also received \$9 a dozen for Plymouth Rock chickens, which were purchased by C. Swanson, the cattle buyer, and shipped by him to Sacramento.

FARMERS OF MODERATE MEANS OFFERED RARE OPPORTUNITY

An unusual opportunity is offered the farmer of moderate means to secure a home in the Lakeside Tract located on the North shore of Tule Lake. The land now offered for sale consists of 3500 acres of irrigable land lying under the Adams canal, a part of the Klamath Project, and admirably located along the shore of the lake. It is rich sagebrush and grass land, part of it being in cultivation. It will be sold in tracts to suit purchasers and on satisfactory terms.
