To relieve the worst forms of Rheumatism, take a teaspoonful of the following mixture after each meal and at bedtime:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

These harmless ingredients can be obtained from our home druggists, and are easily mixed by shaking them well in a bottle. Relief is generally felt from the first few doses.

This prescription, states a well known authority in a Cleveland morning paper, forces the clogged-up, inactive kidneys to filter and strain from the blood the poisonous waste matter and uric acid, which causes Rheumatism.

As Rheumatism is not only the most painful and torturous disease, but dangerous to life, this simple recipe will no doubt be greatly valued by many sufferers here at home, who should at once prepare the mixture to get this relief.

It is said that a person who would take this prescription regularly, a dose or two daily, or even a few times a week, would never have serious Kidney or Urinary disorders or Rheumatism.

Cut this out and preserve it. Good Rheumatism prescriptions which really relieve are scarce, indeed, and when you need it you want it badly. Our druggists here say they will either supply these ingredients or make the mixture ready to take, if any of our readers so prefer.

FARMERS OF MODERATE MEANS OFFERED RARE OPPORTUNITY

An unusual opportunity is offered the farmer of moderate means to secure a home in the Lakeside Tract located on the North shore of Tule Lake. The land now offered for sale consists of 3500 acres of irrigable land lying under the Adams canal, a part of the Klamath Project, and admirably located along the shore of the lake. It is rich sagebrush and grass land, part of it being in cultivation. It will be sold in tracts to suit purchasers and on satisfactory terms.

For particulars call on or address, J. Frank Adams, manager Lakeside Company, Tule Lake, Oregon. 10-17-tf

DAIRY

Dairy is pleasantly situated on the west side of Yonka Valley, near the center of Klamath County. It has two good general stores with enterprising, up-to-date dealers who enjoy a large trade from surrounding valleys; a hotel and feed barn, and a school house. It is surrounded by a rich farming community with which it is connected by a farmers' telephone line and also a long distance line. Is on the stage line, twenty miles east of Klamath Falls.

Liskey Brothers have purchased from H. G. Bussey and Perley Stiles a bunch of steers, and will get them ready for the market.

Henry Schmoor was among the Dairy visitors to the county seat this week. He went there with a big load of grain.

John Liskey went to the Falls Thursday.

Mr. and Mrs. Henry Wood, who have been under the weather for a short time, are reported to be well on the road to recovery.

Mr. Bennett will be back with his threshing next week and will thresh in Pine flat and Swan lake section.

Mrs. Schmoor is exhibiting a parsnip that ought to have a place alongside of the eight pound potato mentioned in last week's Republican. This parsnip measured sixteen inches in circumference and is twenty-six inches long.

Telbert F. Keithley lost a fine horse recently and is now in the market for one to take its place.

Cure for Insomnia

Yesterday a friend of mine who had heard that I sometimes suffer from insomnia told me of a sure cure. "Eat a pint of peanuts and drink two or three glasses of milk before going to bed," said he, "and I'll warrant you'll be asleep within half an hour." I did as he suggested, and now for the benefit of others who may be afflicted with insomnia, I feel it to be my duty to report what happened, so far as I am able this morning to recall the details. First let me say my friend was right. I did go to sleep very soon after my retirement. Then a friend with his head under his arm came along and asked me if I wanted to buy his feet. I was negotiating with him, when the dragon on which I was riding slipped out of his skin and left me floating in mid-air. While I was considering how I should get down, a bull with two heads peered over the edge of the well and said he would haul me up if I would first climb up and rig a windlass for him. So as I was sliding down a mountain side the brakeman came in; I asked him when the train would reach my station. "We went by your station 400 years ago," he said, calmly folding the train up and putting it in his vest pocket.

At this juncture the clown bounded into the ring and pulling the center pole out of the ground, lifting the tent and all the people in it up, up, up, while I stood on earth below watching myself go out of sight among the clouds above. Then I awoke and found that I had been asleep almost ten minutes.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science can cure in all its stages and that is Catarrh of the Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for testimonials. Address, F. J. CHENNY & CO., Toledo, O.
