DAIRY

Dairy is pleasantly situated on the west side of Yonna Valley, near the center of Klamath County. It has two good general stores with enterprising, up-to-date dealers who enjoy a large trade from surrounding vallevs; a hotel and feed barn, and a school house. It is surrounded by a rich farming community with which it is connected by a farmers' telephone line and also a long distance line. Is on the stage line, twenty miles east of Klamath Falls.
