Too Many Hamiltons

The authorities of Lane County have notified the sheriff of Lake County tha they have arrested a man who partially answers the description of Ollie Hamilton, the Silver Lake murderer. The man was arrested 32 miles from Eugene on the road across the mountain to Eastern Oregon. The suspect said his name was Mar-

The sheriff is inclined to think he is not the man wanted, and hat his mind is affected or he would not have started on such a perilous ourney afoot. Officers at Lakeview have been communicated with and the man is being held awaiting the further description of Hamilton.

The man arrested spent several nights in the open air and snow, and one night Le not being able to find enough wood for Bo a fire, set up and kept awake by run- Re ning around in a circle.
