For Sale—A fine 160-acre tract three miles out. This is a bargain. The owner must go to a lower altitude and will sell cheap. Mason & Slough. 6-25 1

It is not known at what time the Harriman party will arrive, but there has been no contradiction of the report that the time is fixed for about the middle of July.

Chas. DeLap, who assisted Sheriff Obenchain in taking his prisoners to Salem, is now visiting with relatives at Oak Grove in Polk county. He will return in a few days accompanied by his grandmother who will visit here indefinitely.

Wm. Wagner, of the Herald staff, J. C. Cravens and T. B. Morgan left Wednesday for a trip to the lava beds. They will be gone for several days and expect to make a thorough exploration of this noted spot made famous during the Modoc war.

The family of F. P. Cronemiller, arrived here from Klamath Falls, last Saturday, and are greatly pleased with their new home. They were surprised to find such a pretty little city, and such a busy one. We are glad to welcome them to our home.—Lake County Examiner

In accordance with an order made by the council at its last meeting a new sidewalk is being built in front of the vacant lots in the post office block. Walks must also be built in other parts of the city and City Marshal Low has been serving notices on property holders to this effect.

C. T. Oliver returned a few days ago from Wood River valley. He says that boring for artesian water is meeting with success and that two more wells have been sunk and a flow struck at a depth of probably 210 feet. The boring machine now in that section will be kept busy during the entire Summer.

M. D. Williams, the popular county surveyor, left here a few days ago stating that he was going to Fort Klamath to survey the Harriman automobile road, but instead of this he went to Astoria where he met Miss Marie Hussey, lately of Montreal, Canada, and a ceremony was said by one of the ministers of that city. Mr. and Mrs. Williams will arrive here in a few days and will make their home in this city.

Nyal's Vegetable Prescription is indicated in all ordinary diseases of women. This remedy never disappoints, its good effects being perceptible from the very first. It is composed of the purest and most reliable drugs—mercurials, opiates and other harmful drugs being excluded.

The many disconcerting influences to which woman is constantly subjected render her liable to many functional disorders that not only tend to destroy her comfort and happiness, but which gradually merge into chronic and serious diseases.

Nyal's Vegetable Prescription is without a peer for the successful treatment of female weakness, painful and disordered menstruation, hysteria, cramps, "bearing down pains," inflammation and falling of the womb. This is a remedy of sterling worth.

### The Vital Parts of a

### Are Made Just Right

The vital parts—and every part of the Studebaker wagon—are made just right!

That's why the Studebaker is the most economical—costs you less per year.

They last longer—so the original cost is less per year.

They need fewer repairs—so the repair cost is less per year—not to mention saving in time.

They are lighter draft—so they cost you less in horse flesh.

Horses cost more than wagons; light draft saves horses.

Studebaker wagons run more easily than others because each wheel is perfectly proportioned, with the box of the hub set in the exact center.

The skien is so set that the wheel runs straight ahead under a load and cannot rub, bind or grind on the skien.

Studebaker hubs never hug either nut or collar. That's another reason why the Studebaker is of such wonderfully light draft.

It makes hard loads easy for horses.

And it stands up under hard loads.

The Studebaker has a carrying capacity at least 40% greater than that of the ordinary wagon—

Because skien, axle, spoke, hub and tire are made just right.

The skien have a transverse strength 25% greater than that required by the United States Government.

The axles are 3/4 inch deeper than others, and are made from selected butt-cut Black Hickory, air-dried from 3 to 5 years.

The hubs are extra large in diameter—made from the best preservative wood.

The famous Studebaker slope-shoulder spokes carry the largest amount of wood into the hub, and are strongest where others are weakest.

The tires are cold set, and are perfectly fitted to each wheel so that there is no such thing as a quickly loosening Studebaker Tire.

No wonder the largest and best equipped vehicle factory in the world is required to meet the demand for the Studebaker.

We are proud to sell the Studebaker. See us.

GEO. T. BALDWIN, Klamath Falls, Ore., Established 1874

Baby Hooper, the infant child of Mr. and Mrs. J. D. Hooper, residing at the Hawkins ranch six miles south of town, died Monday, aged nine days. The funeral was held from the residence this afternoon.

Alex Martin, Jr., cashier of the Klamath County Bank, left this morning to attend the State Bankers' Association, which meets in Salem. Mr. Martin will be accompanied by his nieces, Margaret and Frances Miner, who will go to Seattle to visit with their mother.

Miss Alice Poole, one of the popular teachers in the Klamath Falls schools, left Tuesday for Grants Pass, where she will remain for a few weeks. She was accompanied by her mother.

Among those who returned Monday from Portland and other points along the line of the Southern Pacific were Mrs. S. C. Hamaker, Mrs. W. A. Walker, Mrs. Geo. T. Baldwin and Dr. F. M. White.
