SCHOOL SUPPLIES

Whatever we do, we do thoroughly. Of course, our business is Drugs and Medicines, but Stationery has become a recognized line in the drug trade, so naturally in connection with our large stock of stationery we should carry a large stock of SCHOOL SUPPLIES.

Whatever is new—whatever is standard—whatever is authorized—whatever is going to be recognized in an educational way will always be found in our store, which we pride ourselves on being right up-to-date, complete and constantly kept so.

Nyal's Vegetable Prescription is indicated in all ordinary diseases of women. This remedy never disappoints, its good effects being perceptible from the very first. It is composed of the purest and most reliable drugs—mercurials, opiates and other harmful drugs being excluded.

The many disconcerting influences to which woman is constantly subjected render her liable to many functional disorders that not only tend to destroy her comfort and happiness, but which gradually merge into chronic and serious diseases.

Nyal's Vegetable Prescription is without a peer for the successful treatment of female weakness, painful and disordered menstruation, hysteria, cramps, "bearing down pains," inflammation and falling of the womb. This is a remedy of sterling worth.
