Land Owners, Attention!

Some Eastern parties, who desire to locate
in Klamath County, have requested us to submit
prices and terms of good land, in tracts of 80
to 320 acres.

The prices must be inducements to get actual settlers, who
will build homes and improve the land, which is the only
thing to do to build up the country and establish substantial
values.

We will be pleased to have the owners of land call at our office,
just opposite the Masonic Hall, and get acquainted, and see if we can-
not co-operate to mutual advantage.
