Nyal's Vegetable Prescription is indicated in all ordinary diseases of women. This remedy never disappoints, its good effects being perceptible from the very first. It is composed of the purest and most reliable drugs—mercurials, opiates and other harmful drugs being excluded. The many disconcerting influences to which woman is constantly subjected render her liable to many functional disorders that not only tend to destroy her comfort and happiness, but which gradually merge into chronic and serious diseases.

Nyal's Vegetable Prescription is without a peer for the successful treatment of female weakness, painful and disordered menstruation, hysteria, cramps, "bearing down pains," inflammation and falling of the womb. This is a remedy of sterling worth.

SOLD BEEF IN PORTLAND.

Horace Dunlap, the cattleman, has returned from Portland where he shipped three carloads of prime beef. The cattle were driven from the Fort country to Ashland, from where they were shipped to Portland. The price received for the cattle was seven cents.

Mr. Dunlap states that there is a good demand for first class beef cattle in Portland, but there is absolutely no sale for cattle that will have to be fed on account of the lack of facilities for feeding. This class of cattle can find a much better market in California. The expense of shipping to Portland is about the same as to Oakland.

The matter was settled Saturday. A stallion was shipped to Dorris and the party to whom it was shipped made three attempts to pay the freight, but as the freight bills had not arrived, he could not do so. He tired of waiting and took the horse from the car and brought it here and notified the agent that he would settle for the freight as soon as the bills arrived.

The registration books were closed at 5 o'clock on Tuesday. Fifteen men registered during the last day. Of these 12 were Republicans, 1 prohibition and only two Democrats. There are now registered in Klamath Falls 837 voters. 528 are Republicans, 265 are Democrats and 44 scattering. This is twice as many Republicans as there are Democrats and the proportion is nearly the same throughout the entire county.

This is not saying that every man who registers as a Republican will vote that ticket, any more than it is true that every man who registers as a Democrat will vote the Democratic ticket. But in the matter of voting for President, it is safe to say that Taft will receive two to one for Bryan in Klamath County.
