arrival and departure of passengers pleted their work of awarding the

No. Award as county superintendent, and said some very good things for the teachers to take with them to their work. He was followed by Superintendent Robinson, of Multnomah county, who 2.00 in a very pleasing and instructive manner address the teachers on the subject, "Pupils as Individuals." His main thought was that the teacher 3.00 should know what the pupil is before 5.00 attempting to lead him to what he wants him to be or what he expects him to be.

Superintendent Robinson was followed by President Shafer, of the 2.00 tention to the one great thought, "Personal Touch." In his remarks 1.00 ing over those with whom we come 3.00 in daily contact.

After a short intermission Prof. R. H. Dunbar gave a veryinteresting ad-1.00 dress on "Quick Work." Among the 3.00 many other things he said to interest to allow the pupils to sleep with their 1.00 eyes open, but to get their undivided 1.00 attention and make lasting impres-1.00 sions upon them. His plan for quick 6.00 work is excellent and much good may be derived from it.

#### Thursday Afternoon.
