

NEWS FROM DAIRY.

The people of this section went on record at the Good Roads meeting at Bonanza on Saturday, as favoring the building of the Klamath Falls-Lakeview road but opposed to the Crater Lake road. The following resolutions were passed:

Resolved, That it is the sentiment of this meeting that the Lakeview-Klamath Falls road be taken up as a separate proposition, and that we favor the completion of said road as expeditiously as possible; that we do not depreciate the expending of any county money at this time on what is known as the Medford-Crater Lake road.

Resolved, Further, That we deprecate the expenditure of any large sums of money by the County Court without a favorable expression by the people of the county.

What is the difference between going to town on Sunday to attend to some business or working at home? One looks as bad as the other from a moral standpoint, but if you have any consideration for the man that has been cooped up all week it would seem that it would be better to do the work at home if need be on Sunday and let the other fellow have a chance to think it over.

Mix the following by shaking well in a bottle, and take in teaspoonful doses after meals and at bedtime. Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.
