THE FIRST PICK HOLIDAY GOODS

To save you the rush and give you plenty of time to make your purchases, we have started our holiday goods display early. There is no need for you to shop. You can't find Christmas goods that combine more beauty and refinement with greater every day usefulness, than our selections.

You may as well come here soon and have the advantage of getting the pick of all the best and that too, without having to elbow your way through jams of shoppers.

Our store will be crowded all day long soon. Better come early.

NOTICE.

To All Actual Settlers on Railroad Lands:

The time has now arrived when every settler on railroad lands should join in a complaint in the suit now pending between the Government of the United States and the Railroad Company and others. The object of this is that the rights of every one may be settled at the one time, and every person who intervenes, if the settlers are successful, as we fully believe they will be, will at once be enabled to obtain title to their land, while if they are not joined in this suit, complications will be sure to arise, either by forfeiture of the lands to the Government of the United States, or by reason of a decree of the court simply affecting parties to the suit, or in other ways that will make it more expensive to the parties than at present, and would take them a long time to get title even if successful in other proceedings.

All parties who are interested are invited to call upon or correspond with the undersigned at once.

FIRST TAG BRINGS \$15.

Dr. Hamilton was the lucky man to secure the first tag sold in Klamath Falls for the benefit of the public library. The first tag was auctioned off between the acts at the Opera House Friday evening. Judge Benson kindly consented to act as auctioneer and he put the case so nicely before the audience that there was quite a lively contest for the honor of securing the trophy. The tag was beautifully decorated in water colors by Mrs. Elmer Applegate and was a souvenir well worth the cost.

The bidding was started at \$5 by Joe Sugarman, of the Portland Store. Other got into the game and bids were raised to \$6; \$10, \$11 and \$12. Then there was a short stop until Sugarman bid \$13. Dr. Hamilton then raised it to \$15 and it was sold to him at that price.

E. E. Fitch was here Tuesday from Merrill. He states that the real estate business is dropping off some as the winter approaches. He has just sold a 60-acre ranch belonging to G. W. White to J. W. Haskins. The consideration was \$3000. The farm is within a mile and a half of Merrill.

Commencing Wednesday the Steamer Klamath, carrying the mail and passengers, will not leave until 8 o'clock in the morning. The former time of leaving was 7:30. This change is made on account of the extension of the road to Worden and the shortening of the stage ride. It is probable that from now on the boat will arrive here in the evening from half an hour to an hour earlier. This will enable the postoffice to have most of the mail distributed by 6 o'clock.

The R. E. Dyer property on Main and Klamath streets has been sold to Frank Ward, the consideration being \$5000. The sale was made by Mason & Slough. The property includes the building now occupied by The Square Deal, opposite the Courthouse, and two lots on Klamath avenue, the building on which was formerly occupied by Mr. Dyer as a plumbing shop.

J. C. Mongold came near being blown out of sight on Tuesday by a charge of dynamite. He was excavating for a cesspool at the J. P. Lee residence near the High School. He was using both black and giant powder in opening up the rock. It appears that the black powder went off alright but the giant powder did not explode until Mr. Mongold started to take away the covering. He was badly cut about the nose and right eye. Dr. White dressed the wounds and from an examination made this morning it is believed that the eye sight will not be injured.

TO BUILD THE SEWER.

Henry Boivin has the contract for laying 200 feet of six-inch sewer pipe from the corner of Main and Second streets to the lake. This sewer system is a private one and is being put in by J. A. and J. V. Houson, Hamaker estate, Page-Stratton and H. F. Murdoch. Engineer E. B. Henry made the survey for the pipe line Monday and men began Tuesday on the excavation commencing at the water front.

This is the sewer that caused so much discussion at the last meeting of the Council. The sewage heretofore has been run into an open ditch. The Council order this stopped, and therefore, the owners had to provide for a private sewer for their use. The pipe has already been ordered and will be here in a few days. The main sewer will be six inches and connections will be made with four-inch pipe by the property owners named above.

It is stated that as soon as this sewer is completed that a demand will be made to the Council to order property owners in other portions of the city to provide sewers where the conditions are the same as on Second street.

Nyal's Vegetable Prescription is indicated in all ordinary diseases of women. This remedy never disappoints, its good effects being perceptible from the very first. It is composed of the purest and most reliable drugs—mercurials, opiates and other harmful drugs being excluded.

The many disconcerting influences to which woman is constantly subjected render her liable to many functional disorders that not only tend

to destroy her comfort and happiness, but which gradually merge into chronic and serious diseases.

Nyal's Vegetable Prescription is without a peer for the successful treatment of female weakness, painful and disordered menstruation, hysteria, cramps, "bearing down pains," inflammation and falling of the womb. This is a remedy of sterling worth.
