## SATISFACTION

The feeling I want to exist between you and me.  
I am trying to make my name and satisfaction  
synonymous. You can help me.

Don't holler and cuss if I have worked for you  
and it's not been satisfactory, but bring it back and  
give me a chance to make my word of guarantee  
good.

One receives a certain amount of satisfaction in  
buying goods and feeling they have their dollar's  
worth.

Those are the very kind of goods I carry and are  
all made by the most reliable firms. I would like to  
have your business.

I have been told that I am on the WRONG side  
of the street nevertheless you are not treating your-  
self RIGHT unless you see my stock before you buy.
