"Boost for the School House."  
Boost for the school house and we'll boost with you;  
Knock and you're on the shelf,  
For the world gets sick  
Of the one who'll kick,

And wish that he'd kick himself.  
Boost for the school house when the sun is shining;  
Boost when it starts to rain;  
If you happen to fall,  
Don't lay there and bawl,  
But get up and boost again.  
Boost and make the town lively;  
Boost and do it with vim;  
No battle is won,  
By the one who'll run,  
So stick to your job and win.  
Boost for the district's advancement;  
Boost for the things sublime;  
For the chap that's found,  
On the top-most round,  
Is the Booster every time.

**THE BENSON PLUM FREE.**

SALEM, Ore., March 14.—A large number of places on appointive boards and commissions will become vacant within the next six months, which Governor Benson will be called upon to fill. Aside from these vacancies there were several new boards and commissions created by the last Legislature that must be appointed as soon as the laws go into effect creating them, which will be about May 20.

An important appointment is that of state sheep inspector, now held by W. H. Lytle of Pendleton, a Democrat. It carries with it a salary of \$2000 a year. Lytle's term expires Tuesday, March 23. The term of C. J. Korinek of Salem, state veterinarian, on the Oregon domestic animal commission will expire July 1. There is no compensation connected with this office aside from traveling expenses.

On the state board of dental examiners the positions of Dr. A. E. Vaughn of Pendleton and H. H. Olinger of Salem become vacant April 1. Olinger is secretary of the board and draws \$50 a year and expenses. The other members of this board get \$5 a day and expenses during the time they are actually engaged. An entirely new board of examiners in optometry must be appointed April 30. The present members are C. W. Lowe of Eugene; E. O. Matters of Portland, and Herman W. Barr of Salem. The term of W. H. Steusloff of Salem on the state board of commissioners expired yesterday. These members draw only a small per diem and expenses.

**Circuit Judgeship to Fill.**

The term of E. Hofer, as member of the state board of normal school regents will expire July 2. The term of William G. Elliott of Portland as a member of the board of inspectors of child labor for the state of Oregon will expire May 21. On the board of regents of the University of Oregon the term of J. C. Alsworth of Portland will expire April 15. The term of A. H. Carson of Grants Pass as fruit inspector from the third district will expire in April.

Aside from this list of officials of more or less importance to be appointed, about 20 on the new boards and commissions created by the late Legislature. This list includes the Crater Lake highway commission, a board of port commissioners for Coos Bay and probably for the Siuslaw, a board of commissioners to direct the establishment and maintenance of the state sanatorium for the treatment of tuberculosis patients and board of directors for the numerous county and district fairs for which the state Legislature appropriated money. These boards of directors are constituted for the most part of three members.

The most important of these offices is the new circuit judgeship for the Fifth judicial district, to be appointed from Clatsop or Columbia County.

Mr. and Mrs. J. C. Mitchell arrived Saturday from Gazelle.

**NOW IS BEST TIME TO TAKE**

**Directions to Prepare Simple, Yet Remarkable Home Mixture**

A well-known authority on Rheumatism gives the following valuable, though simple and harmless, prescription, which any one can easily prepare at home:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce, Compound Syrup Sassafras, three ounces.

Mix by shaking well in a bottle, and take a teaspoonful after each meal and at bedtime.

He states that the ingredients can be obtained from any good prescription pharmacy at small cost, and, being of vegetable extraction, are harmless to take.

This pleasant mixture, if taken regularly for a few days, is said to overcome almost any case of Rheumatism. The pain and swelling, if any, diminishes with each dose, until permanent results are obtained, and without injuring the stomach. While there are many so-called Rheumatism remedies, patent medicines, etc., some of which do give relief, few really give permanent results, and the above will no doubt, be greatly appreciated by many sufferers here at this time.

Inquiry at the drug stores of this neighborhood elicits the information that these drugs are harmless and can be bought separately, or the druggists here will mix the prescription for our readers if asked to.

Mrs. L. D. Webb left on Tuesday for Lewiston, Idaho, on a visit to relatives.

**NO INDIGESTION OR DISPEPSIA**

**Makes Misery From An Upset Stomach Vanish in Five Minutes**

Every family here ought to keep some Diapepsin in the house, as any one of you may have an attack of indigestion or stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a sour stomach five minutes afterwards.

If your meals don't tempt you, or what little you do eat seems to fill you, or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Ask your pharmacist for a 50-cent case of Pape's Diapepsin and take one triangle after supper tonight. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for all stomach misery, because it will take hold of your food and digest it just the same as if your stomach wasn't there.

Actual, prompt relief for all your stomach misery is at your pharmacist, waiting for you.

These large 50-cent cases contain more than sufficient to cure a case of dyspepsia or indigestion.
