# SATISFACTION

The feeling I want to exist between you and me. I am trying to make my name and satisfaction synonymous. You can help me.

Don't holler and cuss if I have worked for you and it's not been satisfactory, but bring it back and give me a chance to make my word of guarantee good.

One receives a certain amout of satisfaction in buying goods and feeling they have their dollar's worth.

Those are the very kind of goods I carry and are all made by the most reliable firms. I would like to have your business.

I have been told that I am on the WRONG side of the street nevertheless you are not treating yourself RIGHT unless you see my stock before you buy.

of the appraised price of lands must be paid down when entry is made. On timber claims the balance may be paid in four annual installments, five years being required to acquire full title to this class of property. Fourteen months are required on the agricultural lands, and the balance must be paid at the end of that period. A person's rights do not restrict them to make entry application in any certain one reservation. They are permitted to register for lands in all, and should they draw numbers entitling them to land in more than one they can take their clucice between the reservations in which they have such choice.

Those receiving notice to make entry for lands in the Flathead district must present their applications to Kallsvell for homes in the Kallswil astrict, and in Missoula for lands in the Missoula district.

Percons holding numbers from 1 to 50 inclusive, must present their applications for making entry at the land office of the reservations in which they are allowed to make entry between the hours of 5 a m. and 4 3º p. m., April 1, 1910. Those bolding numbers 51 to 100, inclusive, must present them during the corresponding hours of the following day and so on, until the lands are exhausted.
