SATISFACTION

The feeling I want to exist between you and me. I am trying to make my name and satisfaction synonymous. You can help me.

Don't holler and cuss if I have worked for you and it's not been satisfactory, but bring it back and give me a chance to make my word of guarantee good.

One receives a certain amount of satisfaction in buying goods and feeling they have their dollar's worth.

Those are the very kind of goods I carry and are all made by the most reliable firms. I would like to have your business.

I have been told that I am on the WRONG side of the street nevertheless you are not treating yourself RIGHT unless you see my stock before you buy.

R. Wattenberg, who has just returned from a trip to the Upper lake country, reports the finding of the carcass of a deer strung up to a tree in the woods near McCormack's dike. The head was cut off and a piece of meat was cut out, and the rest left to waste. From the appearance of the carcass it had been killed probably three weeks—long before the opening of the deer season. This is a matter that should be taken up by the game wardens and investigated to the fullest extent, and if the culprit

be brought to justice he should be given the limit.

Will it Spread?

There is no other paint, either prepared or hand made from lead and oil, that will spread as well under the brush and cover as much surface to the gallon as

THE SHERWIN-WILLIAMS PAINT.

Figure 300 square feet, two coats, to the gallon and you'll probably have some paint left over.

There are many other good points in its favor. Ask us about them.
