Will it Spread?

There is no other paint, either prepared or hand made from lead and oil, that will spread as well under the brush and cover as much surface to the gallon as

THE SHERWIN-WILLIAMS PAINT.

Figure 300 square feet, two coats, to the gallon and you'll probably have some paint left over. There are many other good points in its favor. Ask us about them.

SATISFACTION

The feeling I want to exist between you and me. I am trying to make my name and satisfaction synonymous. You can help me.

Don't holler and cuss if I have worked for you and it's not been satisfactory, but bring it back and give me a chance to make my word of guarantee good.

One receives a certain amount of satisfaction in buying goods and feeling they have their dollar's worth.

Those are the very kind of goods I carry and are all made by the most reliable firms. I would like to have your business.

I have been told that I am on the WRONG side of the street nevertheless you are not treating yourself RIGHT unless you see my stock before you buy.
